

PENN STATE ERIE, THE BEHREND COLLEGE

About the College

Ralph M. Ford, Chancellor, Penn State Erie, The Behrend College

Penn State Erie, The Behrend College, gives undergraduate and graduate students the best of two worlds: The friendly, student-centered environment of a smaller college with the academic resources of a major research university. We offer an academically rigorous, globally respected Penn State education in a setting where students can have close interaction with faculty and meaningful out-of-classroom experiences. With more than 4,500 undergraduate and graduate students, 80-plus academic programs, and an inspiring 854-acre campus, Penn State Behrend is among the largest campuses in the Penn State system. We're one of the top public colleges and universities in Pennsylvania for student-to-faculty ratio, SAT scores, first-year student retention rate, and graduation rate, based on U.S. News & World Report data. Penn State Behrend's faculty-to-student ratio is 1:16, and the average class size is 26.

Mission and Goals

There are six hallmarks of the Penn State Behrend experience:

- High Quality: Excellence in academics, research, and outreach
- Student-Centeredness
- Advanced Technology: State-of-the-art classrooms and labs.
- Inspiring Campus Environment
- Diversity: Behrend is a laboratory for ideas, and the more perspectives that can be brought to bear, the greater the learning
- Land-Grant Commitment: We are an economic, social, and cultural catalyst in northwestern Pennsylvania and beyond

Departments and Schools

Black School of Business

The Black School of Business is accredited by AACSB International, the premier accrediting agency for management education. A technology-rich environment and unique learning opportunities are made possible by a \$20 million endowment from the late insurance executive Samuel P. Black Jr. and his wife, Irene. Graduate programs offered by the Black School include Master of Business Administration, Master of Professional Accounting, Master of Project Management, and Master of Manufacturing Management, which is offered jointly with the School of Engineering.

School of Engineering

The School of Engineering is ranked among the top 29 undergraduate engineering programs nationwide. Why? State-of-the-art facilities, award-winning faculty, ABET-accredited programs in both engineering and engineering technology, small class sizes, emphasis on meaningful student design and research experiences, and superior internship

and job placement. The school offers an interdisciplinary Master of Manufacturing Management, with program delivery primarily online.
