Campus(es)	Great Valley
	World Campus

The Graduate Certificate in Business Process Integration is a program for students who aim to pursue a career as a Business Analyst or IT Manager where skills will include responsibilities to analyze, architect, design, implement and manage the technical support aspects of an organizational IT system to meet the business needs.

Courses taken in the certificate program may be applied toward a master of science degree in Information Science, subject to restrictions outlined in GCAC-309 Transfer Credit (https://gradschool.psu.edu/graduate-education-policies/gcac/gcac-300/gcac-309-transfer-credit/). Certificate students who wish to have certificate courses applied towards a graduate degree must apply and be admitted to that degree program. Admission to the graduate degree program is a separate step and is not guaranteed.
