The Graduate Certificate in Data Analytics is a program for students who aim to pursue a career as a Data Analyst, Information Officer, or Quantitative Analyst and be responsible to presents data in visual and meaningful ways, create analytics solutions for business problems, use data to determine optimal solutions for business problems, provide technical leadership on data-related activities, and use quantitative methods to support business decisions.

Courses taken in the certificate program may be applied toward a master’s degree in Data Analytics, subject to restrictions outlined in GCAC-309 Transfer Credit (https://gradschool.psu.edu/graduate-education-policies/gcac/gcac-300/gcac-309-transfer-credit/). Certificate students who wish to have certificate courses applied towards a graduate degree must apply and be admitted to that degree program. Admission to the graduate degree program is a separate step and is not guaranteed.
