

# FUNDAMENTALS OF FINANCE GRADUATE CREDIT CERTIFICATE PROGRAM

---

<b>Person-in-Charge</b>	Zugang Liu
<b>Program Code</b>	FNDFNC
<b>Campus(es)</b>	Great Valley

The Graduate Certificate in Fundamentals of Finance is a program that lays the foundations for those students who aim to pursue a career in corporate finance or as a financial analyst. The topics include: fundamental economics theory, knowledge about various financial instruments, financial planning methods, quantitative analysis tools and software for decision-making, portfolio management, valuation of fixed income securities and financial derivatives, and risk management in the global market. A certificate will be awarded upon completion of the courses. It will prepare the students with the finance skills to face the real-world workplace applications.

**Effective Semester:** Fall 2023

**Expiration Semester:** Fall 2028
