HOMELAND SECURITY
GRADUATE CREDIT
CERTIFICATE PROGRAM

Learning Outcomes
1. **Explain** the origins and organization of the Homeland Security
   Enterprise.
2. **Describe** how relevant Congressional acts, Presidential directives, and
   national strategies influence decision making in homeland security.
3. **Identify** the roles and shared responsibility of key agencies and
   partners at federal, state, and local levels, and of the private sector.
4. **Assess** current situations and select scenarios.
5. **Evaluate** the all-hazards and the whole-community approach to
   national preparedness and emergency management.
