INSTITUTIONAL RESEARCH GRADUATE CREDIT CERTIFICATE PROGRAM

Person-in-Charge Kevin Kinser
Program Code INSTRH
Campus(es) World Campus

The primary goal of the Institutional Research certificate program is to improve the skills of individuals on college and university campuses who want to become institutional

researchers or who want to strengthen their understanding of how institutional research works. The 15-credit curriculum includes research design, assessment and evaluation of

student and faculty issues, enrollment management, and the integration of strategic planning with institutional finance.

Effective Semester: Summer 2024 Expiration Semester: Summer 2029
