

LONG-TERM CARE ADMINISTRATION AND POLICY GRADUATE CREDIT CERTIFICATE PROGRAM

Person-in-Charge	L. Marvin Overby
Program Code	CLLGTM
Campus(es)	Harrisburg

Purpose:

The Master of Health Administration program at Penn State Harrisburg offers a Long-Term Care Administration and Policy graduate credit certificate program. The focus of the certificate program is designed for working long-term care administrators, professionals, and policy makers in for-profit, not-for-profit, and public organizations who need advanced knowledge and skills in long-term care administration and policy, as well as in long-term care systems and their relationship to and integration with health-care systems.

Objectives:

The objective of the Long-Term Care Certificate Program is to deliver knowledge and skills in long-term care administration and policy, as well as in long-term care systems and their relationship to and integration with traditional health care systems. Students successfully completing the certificate program receive a certificate from Penn State Harrisburg attesting to their successfully accomplishment of the certificate program requirements.

Effective Semester: Spring 2025

Expiration Semester: Spring 2030
