

PUBLIC BUDGETING AND FINANCIAL MANAGEMENT GRADUATE CREDIT CERTIFICATE PROGRAM

Learning Outcomes

1. **Explain, clearly articulate and communicate** the significance of key topics in government financial management (governmental accounting, auditing, financial reporting, internal controls and budgeting at the federal, state and local levels) as they relate to public sector organizations.
2. **Describe** how government financial management can contribute toward more efficient use of public resources, increased transparency and improved accountability.
3. **Identify** and describe the role of key actors in the government financial management process.
4. **Apply** key financial management planning, management, and control tools to addressing resource constraints, and meeting transparency and accountability demands.
