CLINICAL RESEARCH

Admission Requirements

Applicants apply for admission to the program via the Graduate School application for admission (http://gradschool.psu.edu/prospective-students/how-to-apply/). Requirements listed here are in addition to Graduate Council policies listed under GCAC-300 Admissions Policies (http://gradschool.psu.edu/graduate-education-policies/).

Prospective applicants for this program should have at least a bachelor’s degree in a biological, physical, or behavioral science.

Graduate School applications must include the following items to be eligible for consideration. Incomplete applications will not be considered.

- Completed online application (http://gradschool.psu.edu/prospective-students/how-to-apply/)
- Resume or CV
- Official transcripts from all colleges and universities attended (http://www.gradschool.psu.edu/prospective-students/how-to-apply/new-applicants/requirements-for-graduate-admission/); applicants must have completed a bachelor’s degree with a 3.0 GPA or higher, and must have completed at least college-level course in algebra, calculus, or statistics
- Two letters of recommendation
- GRE, GMAT, MCAT or LSAT scores - Taken within the past five years

The language of instruction at Penn State is English. English proficiency test scores (TOEFL/IELTS) may be required for international applicants. See GCAC-305 Admission Requirements for International Students (http://gradschool.psu.edu/graduate-education-policies/gcac/gcac-300/gcac-305-admission-requirements-international-students/) for more information.
