ENVIRONMENTAL ENGINEERING

Graduate Program Head            Farshad Rajabipour
Program Code                      ENV_E
Campus(es)                        University Park (Ph.D., M.S., M.Eng.)
Degrees Conferred                Doctor of Philosophy (Ph.D.)
                                  Master of Science (M.S.)
                                  Master of Engineering (M.Eng.)
                                  Dual-Title Ph.D. in Environmental Engineering and Biogeochemistry
The Graduate Faculty             View (https://secure.gradsch.psu.edu/gpms/?searchType=fac&prog=ENV_E)

This specialty prepares students for careers in:

• the design of treatment facilities,
• environmental monitoring,
• process development for water quality control,
• industrial waste treatment,
• management of hazardous and toxic substances,
• monitoring and management of environmental quality,
• air pollution control,
• and water resource systems.
