Total Credits 30

The culminating experience for the degree is a capstone course, MKTG 515, that provides an opportunity for students to apply and integrate the knowledge and skills that were gained throughout the MMAI program. MKTG 814, a core course in this proposed degree program, is the capstone course for the Graduate Certificate in Marketing Analytics. This course is a culminating experience for the courses: MKTG 811, MKTG 812, and MKTG 813. MKTG 515 not only integrates student learnings from these courses, it will also integrate learnings from the other core courses in the master's degree program including MBADM 821, BA 804, and MKTG 540. MKTG 515 will be a required course in the proposed Master of Marketing in Marketing Analytics and Insights degree. As it is the capstone course for the proposed master's program, MKTG 515 is not available as a required or elective course in any other program.
