NUTRITIONAL SCIENCES

Integrated Undergrad-Grad Programs
INTEGRATED B.S. in Nutritional sciences AND m.p.s. in nutritional sciences

Requirements listed here are in addition to requirements listed in GCAC-210 Integrated Undergraduate-Graduate (IUG) Degree Programs (https://gradschool.psu.edu/graduate-education-policies/gcac/gcac-200/gcac-210-integrated-undergraduate-graduate-degree-programs/).

ADMISSION REQUIREMENTS

Applicants apply for admission to the program via the Graduate School application for admission (https://gradschool.psu.edu/graduate-admissions/how-to-apply/). Requirements listed here are in addition to Graduate Council policies listed under GCAC-300 Admissions Policies (https://gradschool.psu.edu/graduate-education-policies/).

The following credentials will be considered for admission:

• IUG Plan of Study
• Resume
• Personal statement of interests and goals
• Three letters of recommendation (must include one letter from the student’s undergraduate academic advisor that proves the academic advisor has worked with the student to develop a Plan of Study
• Official transcripts from all colleges and universities attended
• Minimum GPA of 3.25

Students must apply to the program via the Graduate School application for admission (http://www.gradschool.psu.edu/prospective-students/how-to-apply/), and must meet all the admission requirements of the Graduate School and the Nutritional Sciences graduate program for the Master of Professional Studies degree, which are listed on the Admission Requirements tab. Before applying to the Graduate School, students must have completed entrance to their undergraduate major and have completed no less than 60 credits. Students must be admitted no later than the end of the second week of the semester preceding the semester of expected conferral of the undergraduate degree. Transfer students must have completed at least 15 credits at Penn State to enroll in an IUG.

In consultation with an adviser, students must prepare a Plan of Study appropriate to this integrated program and must present their Plan of Study to the head of the graduate program or the appropriate committee overseeing the integrated program prior to being admitted to the program. The plan should cover the entire time period of the integrated program, and it should be reviewed periodically with an adviser as the student advances through the program.

DEGREE REQUIREMENTS

Students admitted to the B.S. in Nutritional Sciences/M.P.S. are able to earn both the B.S. and M.P.S in five calendar years of full-time academic study.

Students must fulfill all degree requirements for each degree in order to be awarded that degree, subject to the double-counting of credits as outlined below. Degree requirements for the Bachelor of Science in Nutritional Sciences are listed in the Undergraduate Bulletin. (https://bulletins.psu.edu/undergraduate/colleges/health-human-
