The Master of Accounting in Taxation program will prepare graduates to stand out in a competitive job market by studying at a highly reputed business school with some of the world's leading academic thinkers and industry experts. This program will provide students with the knowledge of tax law and policy. The program will be taught by the same world-class professors who teach our M.B.A. students. The learning outcomes will be achieved by a combination of lectures by faculty, invited guest lecturers, reading of key literature, individual and team projects, and practical involvement in a leadership culminating experience.
