

UNDERGRADUATE PROGRAMS

Penn State offers more than 160 majors, 200 minors, and 100 undergraduate certificates across the University. Below you will find a full catalog of all majors and programs available across all campuses and every academic college at Penn State. Use the filter tool to explore options and design your own, unique academic path at one of the world's leading research institutions. Discover new opportunities as you pursue your academic passion.

For some degree programs, you will see multiple image tiles for the same major. This occurs because students have the option to complete that particular degree program at multiple campuses. Programs with the same curriculum that are offered through multiple academic colleges are denoted by the same image. Hover over any image tile to see at which campus you can complete a particular program.
