

AGRIBUSINESS MANAGEMENT, MINOR

Requirements for a minor may be completed at any campus location offering the specified courses for the minor. Students may not change from a campus that offers their major to a campus that does not offer their major for the purpose of completing a minor.

Career Paths

Agribusiness Management minor graduates have the skills and knowledge necessary to add an applied business management component to their chosen career. Faculty and professional academic advisers in the Agribusiness Management program support and serve students in career development and preparation, including career decision-making, tailoring the Agribusiness Management minor to fit career goals, internship and job search strategies, interview preparation, and preparation for employment or graduate school.

Careers

With an Agribusiness Management minor, you can be prepared for a career in your major in which you have the business management skills to advance in your career.
