AGRICULTURAL SCIENCE, B.S.

Begin Campus: Any Penn State Campus

End Campus: University Park

Degree Requirements

For the Bachelor of Science degree in Agricultural Science, a minimum of 123 credits is required:

<table>
<thead>

</table>

Select 3-4 credits in Crop Management
Select 3 credits in any HORT except X95, X96
Select 3 credits in Agricultural Economics and Rural Sociology
Select 3 credits in International Agriculture of the following:

INTAG 100 Any College of Agricultural Sciences international course
AEE 100 Agricultural Education Orientation
AG 100 Job Placement Skills and Strategies
AG 113 Exploring Careers in Agriculture
ANSC 290 Careers in Animal Agriculture
ERM 151 Careers and Issues in Environmental Resource Management

Select 3-4 credits in any ANSC except 291, X95, X96
Select 3 credits in Technology in Agriculture of the following:
AGECO 144 Principles and Practices of Organic Agriculture
AGECO 457 Principles of Integrated Pest Management
ANSC 207 Animal Products Technology & ANSC 208 and Animal Products Technology Laboratory
ERM 210 Environmental Factors and Their Effect on Your Food Supply
FDSC 200 Introductory Food Science
PLANT 217 Landscape Soil and Water Management

Select 6 credits in Natural Resources/Ecology of the following:
AGECO 122 Atmospheric Environment: Growing in the Wind
AGECO 201 Introductory Agroecology
EGEE 101 Energy and the Environment
FOR 470 Watershed Management
SOILS 71 Environmental Sustainability
SOILS 101 Introductory Soil Science
SOILS 412W Soil Ecology
WFS 209N Wildlife and Fisheries Conservation

Select 3 credits in Agricultural and Environmental Policy of the following:
AG 160 Introduction into Ethics and Issues in Agriculture
AGECO 134
CED 201 Introductory Environmental and Resource Economics
FDSC 105 Food Facts and Fads

Supporting Courses and Related Areas

Select 9 credits in Agriculture

Supporting Courses and Related Areas Courses: Require a grade of C or better
Select 18-21 credits for College of Agricultural Sciences Minor

General Education

Connecting career and curiosity, the General Education curriculum provides the opportunity for students to acquire transferable skills necessary to be successful in the future and to thrive while living in interconnected contexts. General Education aids students in developing intellectual curiosity, a strengthened ability to think, and a deeper sense of aesthetic appreciation. These are requirements for all baccalaureate students and are often partially incorporated into the requirements of a program. For additional information, see the General Education
Agricultural Science, B.S.

Requirements (https://bulletins.psu.edu/undergraduate/general-education/baccalaureate-degree-general-education-program/) section of the Bulletin and consult your academic adviser.

The keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program.

Foundations (grade of C or better is required.)
- Quantification (GQ): 6 credits
- Writing and Speaking (GWS): 9 credits

Knowledge Domains
- Arts (GA): 6 credits
- Health and Wellness (GHW): 3 credits
- Humanities (GH): 6 credits
- Social and Behavioral Sciences (GS): 6 credits
- Natural Sciences (GN): 9 credits

Integrative Studies (may also complete a Knowledge Domain requirement)
- Inter-Domain or Approved Linked Courses: 6 credits

University Degree Requirements
First Year Engagement
All students enrolled in a college or the Division of Undergraduate Studies at University Park, and the World Campus are required to take 1 to 3 credits of the First-Year Seminar, as specified by their college First-Year Engagement Plan.

Other Penn State colleges and campuses may require the First-Year Seminar; colleges and campuses that do not require a First-Year Seminar provide students with a first-year engagement experience.

First-year baccalaureate students entering Penn State should consult their academic adviser for these requirements.

Cultures Requirement
6 credits are required and may satisfy other requirements
- United States Cultures: 3 credits
- International Cultures: 3 credits

Writing Across the Curriculum
3 credits required from the college of graduation and likely prescribed as part of major requirements.

Total Minimum Credits
A minimum of 120 degree credits must be earned for a baccalaureate degree. The requirements for some programs may exceed 120 credits. Students should consult with their college or department adviser for information on specific credit requirements.

Quality of Work
Candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

Limitations on Source and Time for Credit Acquisition
The college dean or campus chancellor and program faculty may require up to 24 credits of course work in the major to be taken at the location or in the college or program where the degree is earned. Credit used toward degree programs may need to be earned from a particular source or within time constraints (see Senate Policy 83-80 (http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#83-80)). For more information, check the Suggested Academic Plan for your intended program.
