

FOREST ECOSYSTEMS, MINOR

Requirements for a minor may be completed at any campus location offering the specified courses for the minor. Students may not change from a campus that offers their major to a campus that does not offer their major for the purpose of completing a minor.

Career Paths

Our department's career development (<https://ecosystems.psu.edu/undergraduate/resources/career-development/>) and employment opportunities (<https://ecosystems.psu.edu/undergraduate/resources/employment/>) websites offer a variety of resources to assist you in exploring professional pursuits related to natural resources and environmental science.

Careers

The Forest Ecosystems minor may complement other academic programs that can help prepare you for a career related to natural resources and environmental sciences. The Forest Ecosystems minor does not qualify you for forester positions.
