

# ELECTRO-MECHANICAL ENGINEERING TECHNOLOGY, B.S. (ALTOONA)

---

**Begin Campus:** Any Penn State Campus

**End Campus:** Altoona

## Professional Licensure/Certification

Many U.S. states and territories require professional licensure/certification to be employed. If you plan to pursue employment in a licensed profession after completing this program, please visit the Professional Licensure/Certification Disclosures by State (<https://psu.edu/state-licensure-disclosures/>) interactive map.
