

# VISUAL ART STUDIES, B.A.

---

**Begin Campus:** Any Penn State Campus

**End Campus:** Altoona

## Program Learning Objectives

- Critique technical, aesthetic, and conceptual competence in art works verbally and in written form
- Apply problem solving techniques in art planning, art making and execution
- Execute exhibition best practices, standards, and professional procedures when preparing artwork for display
- Create professional portfolio of art work and supplemental materials suitable for gallery submission, graduate school admissions, or entrance level creative field application
- Demonstrate competency in many forms of art making including 2D, 3D, and digital media
- Operate rigorous and safe studio practice and material handling
- Cite and inform upon historical and contemporary art movements in art work
- Interpret issues in art, society, and culture via personal concepts in art work creation
