VISUAL ART STUDIES, B.A.

Begin Campus: Any Penn State Campus

End Campus: Altoona

Program Learning Objectives

- Critique technical, aesthetic, and conceptual competence in art works verbally and in written form.
- Apply problem-solving techniques in art planning, art making, and execution.
- Execute exhibition best practices, standards, and professional procedures when preparing artwork for display.
- Create professional portfolio of art work and supplemental materials suitable for gallery submission, graduate school admissions, or entrance level creative field application.
- Demonstrate competency in many forms of art making including 2D, 3D, and digital media.
- Operate rigorous and safe studio practice and material handling.
- Cite and inform upon historical and contemporary art movements in art work.
- Interpret issues in art, society, and culture via personal concepts in art work creation.
