VISUAL ART STUDIES, B.A.

Begin Campus: Any Penn State Campus
End Campus: Altoona

Program Learning Objectives

• Critique technical, aesthetic, and conceptual competence in art works verbally and in written form
• Apply problem solving techniques in art planning, art making and execution
• Execute exhibition best practices, standards, and professional procedures when preparing artwork for display
• Create professional portfolio of art work and supplemental materials suitable for gallery submission, graduate school admissions, or entrance level creative field application
• Demonstrate competency in many forms of art making including 2D, 3D, and digital media
• Operate rigorous and safe studio practice and material handling
• Cite and inform upon historical and contemporary art movements in art work
• Interpret issues in art, society, and culture via personal concepts in art work creation
