University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

GWS, GQ, GHW, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GHW, GN, GA, GH, GS, and Integrative Studies). Foundations courses (GWS and GQ) require a grade of 'C' or better.

Integrative Studies courses are required for the General Education program. N is the suffix at the end of a course number used to designate an Inter-Domain course and Z is the suffix at the end of a course number used to designate a Linked course.

All incoming Schreyer Honors College first-year students at University Park will take ENGL 137H/CAS 137H in the fall semester and ENGL 138T/CAS 138T in the spring semester. These courses carry the GWS designation and replace both ENGL 30H and CAS 100. Each course is 3 credits.

Program Notes:

ENTRANCE REQUIREMENTS: Admission to the program includes acceptance to the University Park campus, application to the program, an audition, and an interview with primary faculty members. Video taped auditions and video interviews may be arranged.

RETENTION REQUIREMENTS: Retention will be determined through the process of scheduled reviews, in concert with verification of sustained academic growth as demonstrated by earning of grades of C or higher within the major. Failure to do so is grounds for an academic warning, with clear written strategies and a time frame for the student to return to

good standing. Should the issues not be addressed by the student, the faculty may advise the student into a different program or major.
