

MUSIC, B.A.

Begin Campus: University Park

End Campus: University Park

Program Description

The Bachelor of Arts degree in Music combines a broad liberal education with a selection of courses in Music. The degree is designed to develop basic musicianship, the ability to perform, and a set of principles that leads to a fuller intellectual grasp of the art.

The B.A. in Music degree program includes a General Music Studies Option and an additional option in Music Technology.

Students are required to pass a piano proficiency examination, enroll in a core ensemble for two semesters, and satisfactorily complete a senior project.

What is Music?

Italian composer Ferruccio Busoni said “music is sonorous air.” A more scientific definition might be “sounds organized in time.” With a history that likely pre-dates language, music is an integral part of all societies for expression, communication and the fostering of community. In the words of philosopher Friedrich Nietzsche, “without music, life would be a mistake.”

You Might Like This Program If...

You're looking for an educational experience that develops your musicianship, scholarship, and performance skills through broad-based study in all areas of music. For those students interested in music technology, an option in the B.A. provides a focus in this area. If you are looking to earn two degrees, the B.A. combines well with a degree outside of music.

Entrance to Major

Application for admittance into the program requires completion of a two-year core of music and General Education courses.

Entrance Procedures

Incoming First Year Students

Incoming first year students must apply to Penn State. Decision is based on both an academic review and successful audition. Detailed information on audition requirements and scheduling can be found at: <https://music.psu.edu/audition-req/ugrad> (<https://music.psu.edu/audition-req/ugrad/>). Students will enter the AAMUS pre-major upon successful application for admission and audition.

Change of Major/Change of Campus Students

Change of Major/Change of Campus students must have a cumulative GPA of 2.00 or above and successful audition. Detailed information on audition requirements and scheduling can be found at: <https://music.psu.edu/audition-req/ugrad> (<https://music.psu.edu/audition-req/ugrad/>). Auditions to enter AAMUS pre-major can be scheduled through the online scheduling form (<https://music.psu.edu/form/undergraduate-audition-scheduling/>) beginning October 1st – February 1st.

Transfer Students

Transfer students must apply to Penn State. Decision is based on both an academic review and successful audition. Detailed information on audition requirements and scheduling can be found at: <https://music.psu.edu/audition-req/ugrad> (<https://music.psu.edu/audition-req/ugrad/>). Auditions to enter AAMUS pre-major can be scheduled through the online scheduling form (<https://music.psu.edu/form/undergraduate-audition-scheduling/>) beginning October 1st – February 1st.

Degree Requirements

For the Bachelor of Arts degree in Music, a minimum of 120 credits is required:

Requirement	Credits
General Education	45
Electives	0-1
Bachelor of Arts Degree Requirements	24
Requirements for the Major	51-74

1-21 of the 45 credits for General Education are included in the Requirements for the Major. This includes: General Music Studies Option: 1-3 credits of GA courses; Music Technology Option: 6 credits of GA courses, 6 credits of GQ courses, 9 credits of GN courses.

3 of the 24 credits for Bachelor of Arts Degree Requirements are included in the Requirements for the Major, General Education, or Electives and 0-12 credits are included in Electives if foreign language proficiency is demonstrated by examination.

General Education

Connecting career and curiosity, the General Education curriculum provides the opportunity for students to acquire transferable skills necessary to be successful in the future and to thrive while living in interconnected contexts. General Education aids students in developing intellectual curiosity, a strengthened ability to think, and a deeper sense of aesthetic appreciation. These are requirements for all baccalaureate students and are often partially incorporated into the requirements of a program. For additional information, see the General Education Requirements (<http://bulletins.psu.edu/undergraduate/general-education/baccalaureate-degree-general-education-program/>) section of the Bulletin and consult your academic adviser.

The keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program.

Foundations (grade of C or better is required.)

- **Quantification (GQ):** 6 credits
- **Writing and Speaking (GWS):** 9 credits

Knowledge Domains

- **Arts (GA):** 6 credits
- **Health and Wellness (GHW):** 3 credits
- **Humanities (GH):** 6 credits
- **Social and Behavioral Sciences (GS):** 6 credits
- **Natural Sciences (GN):** 9 credits

Integrative Studies (may also complete a Knowledge Domain requirement)

- **Inter-Domain or Approved Linked Courses:** 6 credits

University Degree Requirements

First Year Engagement

All students enrolled in a college or the Division of Undergraduate Studies at University Park, and the World Campus are required to take 1 to 3 credits of the First-Year Seminar, as specified by their college First-Year Engagement Plan.

Other Penn State colleges and campuses may require the First-Year Seminar; colleges and campuses that do not require a First-Year Seminar provide students with a first-year engagement experience.

First-year baccalaureate students entering Penn State should consult their academic adviser for these requirements.

Cultures Requirement

6 credits are required and may satisfy other requirements

- United States Cultures: 3 credits
- International Cultures: 3 credits

Writing Across the Curriculum

3 credits required from the college of graduation and likely prescribed as part of major requirements.

Total Minimum Credits

A minimum of 120 degree credits must be earned for a baccalaureate degree. The requirements for some programs may exceed 120 credits. Students should consult with their college or department adviser for information on specific credit requirements.

Quality of Work

Candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

Limitations on Source and Time for Credit Acquisition

The college dean or campus chancellor and program faculty may require up to 24 credits of course work in the major to be taken at the location or in the college or program where the degree is earned. Credit used toward degree programs may need to be earned from a particular source or within time constraints (see Senate Policy 83-80 (<http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#83-80>)). For more information, check the Suggested Academic Plan for your intended program.

B.A. Degree Requirements

Foreign Language (0-12 credits): Student must attain 12th credit level of proficiency in one foreign language. See the Placement Policy for Penn State Foreign Language Courses (<http://bulletins.psu.edu/undergraduate/general-information/academic-information/advising-planning-degree-program/course-placements/placement-policy-world-language-courses/>).

B.A. Fields (9 credits): Humanities, Social and Behavioral Sciences, Arts, Foreign Languages, Natural Sciences, Quantification (may not be taken in the area of the student's primary major; foreign language credits in this category must be in a second foreign language or beyond the 12th credit level of proficiency in the first language)

Other Cultures (0-3 credits): Select 3 credits from approved list. Students may count courses in this category in order to meet other major, minor, elective, or General Education requirements, except for the General Education US/IL requirement.

Requirements for the Major

A grade of C or better is required for all courses in the major. To graduate, a student enrolled in the major must earn at least a C grade in each course designated by the major as a C-required course, as specified by Senate Policy 82-44 (<http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#82-44>).

Integrated B.A. in Music and M.A. in Music

Requirements for the Integrated B.A. in Music and M.A. in Music can be found in the Graduate Bulletin (<http://bulletins.psu.edu/graduate/programs/majors/music/#integratedundergradprogramtext>).

Learning Outcomes

General Studies

- To hear, identify, and work conceptually with the elements of music such as rhythm, melody, harmony, structure, timbre, texture.
- Have an understanding of and the ability to read and realize musical notation.
- Have an understanding of compositional processes, aesthetic properties of style, and the ways these shape and are shaped by artistic and cultural forces.
- Have an acquaintance with a wide selection of musical literature, the principal eras, genres, and cultural sources.
- Performing skills on chosen instrument/voice to present accurate and artistic performances.

Music Technology

The above learning outcomes plus:

- Understanding of music technology as an integrated field.
- Understanding of fundamental science, engineering, and math content underlying acoustics and electronic technologies employed in music technology.
- Ability to integrate and synthesize basic musical and technological knowledge and skills in the conceptualization of music technology projects.
- Ability to produce work in at least one area of integrative music technology, or to produce undergraduate-level research or scholarly work in integrative music technology.

Academic Advising

The objectives of the university's academic advising program are to help advisees identify and achieve their academic goals, to promote their intellectual discovery, and to encourage students to take advantage of

both in-and out-of class educational opportunities in order that they become self-directed learners and decision makers.

Both advisers and advisees share responsibility for making the advising relationship succeed. By encouraging their advisees to become engaged in their education, to meet their educational goals, and to develop the habit of learning, advisers assume a significant educational role. The advisee's unit of enrollment will provide each advisee with a primary academic adviser, the information needed to plan the chosen program of study, and referrals to other specialized resources.

University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

GWS, GQ, GHW, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GHW, GN, GA, GH, GS, and Integrative Studies). Foundations courses (GWS and GQ) require a grade of 'C' or better.

Integrative Studies courses are required for the General Education program. N is the suffix at the end of a course number used to designate an Inter-Domain course and Z is the suffix at the end of a course number used to designate a Linked course.

All incoming Schreyer Honors College first-year students at University Park will take ENGL 137H/CAS 137H in the fall semester and ENGL 138T/CAS 138T in the spring semester. These courses carry the GWS designation and replace both ENGL 30H and CAS 100. Each course is 3 credits.

Bachelor of Arts Requirements:

Bachelor of Arts students must take 9 credits in Bachelor of Arts (B.A.) Fields (Humanities; Social and Behavioral Sciences; Arts; World Languages [2nd language or beyond the 12th credit level of proficiency in the 1st]; Natural Sciences; Quantification). The B.A. Fields courses may not be taken in the area of the student's primary major. See your adviser and the Degree Requirements section (<http://bulletins.psu.edu/undergraduate/general-information/academic-information/>) of this Bulletin.

Career Paths

The Bachelor of Arts in Music program provides students with a strong foundation in all areas of music. Students on the general music studies track may pursue a wide range of potential careers, as well as graduate study in more specialized areas of music. Students on the music technology track develop a range of knowledge and skills that prepare graduates for numerous career options and graduate study opportunities.

Careers

A wide range of careers is possible for graduates of the B.A. in music program's general studies option. From performance to arts management to entrepreneurial pursuits, the possibilities are extensive. Graduates of the music technology option have the skills and knowledge to pursue careers in many areas of the field. Producers, acoustic consultants, sound technicians, audio and sound engineers, recording engineers and mixers, music editors, sound designers, and audio developers are just some of the careers that use music technology.

Opportunities for Graduate Studies

Graduates of the B.A. in music program are prepared to pursue graduate study in a more specialized area of music, including performance, theory and composition, conducting, technology, musicology, and more!

Accreditation

The Penn State School of Music is accredited through the National Association of Schools of Music. NASM is an organization of schools, conservatories, colleges, and universities with approximately 650 accredited institutional members. It establishes national standards for undergraduate and graduate degrees and other credentials for music and music-related disciplines, and provides assistance to institutions and individuals engaged in artistic, scholarly, educational, and other music-related endeavors.
