

MUSIC, B.M.

Begin Campus: University Park

End Campus: University Park

Program Description

The Bachelor of Music degree program is intended to prepare students for careers in composition or performance. Completion of this program requires that the student achieve a high level of competence in order to begin professional work or pursue further studies at the graduate level.

What is Music?

Italian composer Ferruccio Busoni said “music is sonorous air.” A more scientific definition might be “sounds organized in time.” With a history that likely pre-dates language, music is an integral part of all societies for expression, communication and the fostering of community. In the words of philosopher Friedrich Nietzsche, “without music, life would be a mistake.”
