MUSIC EDUCATION, B.M.E.

Begin Campus: University Park
End Campus: University Park

Program Description
The Bachelor of Music Education (B.M.E.) degree is a professional program that helps prepare students for teaching in elementary and secondary schools. Students are expected to meet all requirements for Entrance to Teacher Certification Program in Music, must pass the piano proficiency, complete all music courses, SPLED 400 and SPLED 403A or SPLED 403B, prior to student teaching. Graduates of this program are prepared to receive the Pennsylvania Instructional I certificate for teaching music K-12. (See also Teacher Education Programs.)

The goal of the Penn State Music Teacher Education Program is to prepare exemplary music teachers for K-12 music programs. Such individuals can provide outstanding personal and musical models for children and youth and have a firm foundation in pedagogy on which to build music teaching skills. Penn State B.M.E. graduates exhibit excellence in music teaching as personal and musical models as well as emerging pedagogues.

What is Music Education?
It’s sharing both your knowledge of music and your passion for it with others. Music education fosters the continuation of the art of music through the development of new musicians and new audiences. Music educators share their musical skills with widely diverse populations. Teaching early childhood music classes, elementary school music, middle and high school band, orchestra and choir, and adult community ensembles are just some of the ways music educators ply their trade.

You Might Like This Program If...
- You have a good level of musical skill and are passionate about sharing your musical knowledge with others, particularly in a school environment.
- You possess an outgoing personality, good social skills, and leadership qualities that will inspire students to achieve success.

Entrance to Major
All candidates seeking entrance to the Bachelor of Music Education (B.M.E.) must meet the following entrance to major criteria:

1. Minimum 3.00 cumulative GPA by the end of the semester prior to ETM semester and at least 48 credits completed by the end of the semester prior to ETM semester.
2. Complete 6 credits in quantification (GQ) (Require a grade of C or better).
4. Complete ENGL 15 or ENGL 30H (Require a grade of C or better).
5. Complete early field experience (Require a grade of C or better).
   - Course List: MUSIC 295A.

6. Complete EDPSY 10 and 3 additional credits of the education core (Require a grade of C or better).
   - Course List: EDPSY 10, PSYCH 100, HDFS 229, HDFS 299.

Entrance Procedures
Incoming First Year Students
Incoming first year students must apply to Penn State. Decision is based on both an academic review and a successful audition. Detailed information on audition requirements and scheduling can be found at: https://arts.psu.edu/how-to-apply/#som-audreq. Students offered admissions will enter the AAMUS pre-major. Students will be required to complete the entrance-to-major requirements listed above.

Change of Major/Change of Campus Students
Change of Major/Change of Campus students must have a cumulative GPA of 2.00 or above and successful audition. Detailed information on audition requirements and scheduling can be found at: https://arts.psu.edu/how-to-apply/#som-audreq. Students will enter the AAMUS pre-major upon successful audition. Students will be required to complete the entrance-to-major requirements listed above.

Transfer Students
Transfer students must apply to Penn State. Decision is based on both acceptable academic credentials, determined by admissions, and a successful audition. Detailed information on audition requirements and scheduling can be found at: https://arts.psu.edu/how-to-apply/#som-audreq. Students will enter the AAMUS pre-major upon successful application for admission and audition. Students will be required to complete the entrance-to-major requirements listed above.

Degree Requirements
For the Bachelor of Music Education degree, a minimum of 139 credits is required:

General Education

Connecting career and curiosity, the General Education curriculum provides the opportunity for students to acquire transferable skills necessary to be successful in the future and to thrive while living in interconnected contexts. General Education aids students in developing intellectual curiosity, a strengthened ability to think, and a deeper sense of aesthetic appreciation. These are requirements for all baccalaureate students and are often partially incorporated into the requirements of a program. For additional information, see the General Education
Requirements (https://bulletins.psu.edu/undergraduate/general-education/baccalaureate-degree-general-education-program/) section of the Bulletin and consult your academic adviser.

The keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program.

Foundations (grade of C or better is required and Inter-Domain courses do not meet this requirement.)
- Quantification (GQ): 6 credits
- Writing and Speaking (GWS): 9 credits

Breadth in the Knowledge Domains (Inter-Domain courses do not meet this requirement.)
- Arts (GA): 3 credits
- Health and Wellness (GHW): 3 credits
- Humanities (GH): 3 credits
- Social and Behavioral Sciences (GS): 3 credits
- Natural Sciences (GN): 3 credits

Integrated Studies
- Inter-Domain Courses (Inter-Domain): 6 credits

Exploration
- FN, may be completed with Inter-Domain courses: 3 credits
- GA, GH, GN, GS, Inter-Domain courses. This may include 3 credits of World Language course work beyond the 12th credit level or the requirements for the student’s degree program, whichever is higher: 6 credits

University Degree Requirements
First Year Engagement
All students enrolled in a college or the Division of Undergraduate Studies at University Park, and the World Campus are required to take 1 to 3 credits of the First-Year Seminar, as specified by their college First-Year Engagement Plan.

Other Penn State colleges and campuses may require the First-Year Seminar; colleges and campuses that do not require a First-Year Seminar provide students with a first-year engagement experience.

First-year baccalaureate students entering Penn State should consult their academic adviser for these requirements.

Cultures Requirement
6 credits are required and may satisfy other requirements
- United States Cultures: 3 credits
- International Cultures: 3 credits

Writing Across the Curriculum
3 credits required from the college of graduation and likely prescribed as part of major requirements.

Total Minimum Credits
A minimum of 120 degree credits must be earned for a baccalaureate degree. The requirements for some programs may exceed 120 credits. Students should consult with their college or department adviser for information on specific credit requirements.

Quality of Work
Candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

Limitations on Source and Time for Credit Acquisition
The college dean or campus chancellor and program faculty may require up to 24 credits of course work in the major to be taken at the location or in the college or program where the degree is earned. Credit used toward degree programs may need to be earned from a particular source or within time constraints (see Senate Policy 83-80 (https://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#83-80)). For more information, check the Suggested Academic Plan for your intended program.

Learning Outcomes
- Competence as a conductor with the ability to create accurate and musically expressive performances with various types of performing groups and in general classroom.
- Ability to arrange and adapt music from a variety of sources to meet the needs and ability levels of individuals, school performing groups, and in classroom situations.
- Functional performance abilities in keyboard and the voice.
- Ability to apply analytical and historical knowledge to curriculum development, lesson planning, and daily classroom and performance activities.

Academic Advising
The objectives of the university's academic advising program are to help advisees identify and achieve their academic goals, to promote their intellectual discovery, and to encourage students to take advantage of both in-and out-of class educational opportunities in order that they become self-directed learners and decision makers.

Both advisers and advisees share responsibility for making the advising relationship succeed. By encouraging their advisees to become engaged in their education, to meet their educational goals, and to develop the habit of learning, advisers assume a significant educational role. The advisee’s unit of enrollment will provide each advisee with a primary academic adviser, the information needed to plan the chosen program of study, and referrals to other specialized resources.

Approval from the professional education adviser or the head of the pertinent certification program.

University Requirements and General Education Notes:
US and IL are abbreviations used to designate courses that satisfy Cultural Diversity Requirements (United States and International Cultures).
W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

General Education includes Foundations (GWS and GQ), Knowledge Domains (GHW, GN, GA, GH, GS) and Integrative Studies (Inter-domain) requirements. N or Q (Honors) is the suffix at the end of a course number used to help identify an Inter-domain course, but the inter-domain attribute is used to fill audit requirements. Foundations courses (GWS and GQ) require a grade of ‘C’ or better.

All incoming Schreyer Honors College first-year students at University Park will take ENGL 137H/CAS 137H in the fall semester and ENGL 138T/CAS 138T in the spring semester. These courses carry the GWS designation and satisfy a portion of that General Education requirement. If the student’s program prescribes GWS these courses will replace both ENGL 15/ENGL 30H and CAS 100A/CAS 100B/CAS 100C. Each course is 3 credits.

Career Paths
A degree in music education prepares students in teach music in a variety of school settings to children in grades K-12. A degree in music education may serve as the basis for graduate study not only in music education, but also in performance, composition, conducting, music theory, music history and others.

Careers
Graduates of the B.M.E. program receive Pennsylvania certification to teach K-12 instrumental, vocal and general music. Additionally, the degree includes an "individualized emphasis" based on the student’s strengths and interests. B.M.E. graduates are prepared to enter the classroom and have successful careers as an elementary, middle, or high school music teachers.

Opportunities for Graduate Studies
Because the music education degree program develops a complete, well-rounded musician, graduates are prepared to pursue graduate study in not only music education, but all other areas of music as well. Graduate study in performance, conducting, theory and composition, musicology, and more are all possible with a B.M.E. degree.

Accreditation
The Penn State School of Music is accredited through the National Association of Schools of Music. NASM is an organization of schools, conservatories, colleges, and universities with approximately 650 accredited institutional members. It establishes national standards for undergraduate and graduate degrees and other credentials for music and music-related disciplines, and provides assistance to institutions and individuals engaged in artistic, scholarly, educational, and other music-related endeavors.
