MUSICAL THEATRE, B.F.A.

Begin Campus: University Park

End Campus: University Park

Learning Outcomes

• Train students in singing/ dancing/ acting by working through a set curriculum in each component area – and an integrated set of studio courses.
• Use casting and performance success to augment classroom training in order to better prepare students in the application of their skills.
• Promote a “total human” way of approaching musical theatre work through academic activities that encourage creative and diverse thinking.
