

PENN STATE ERIE, THE BEHREND COLLEGE

About the College

Ralph M. Ford, Ph.D., Chancellor and Dean, Penn State Erie, The Behrend College

Penn State Behrend students enjoy access to a global research university within the supportive environment of a welcoming, student-centered college. We're a top public college in Pennsylvania and ranked among the top 10 percent for best value and highest return on tuition investment (PayScale, SmartAsset).

We prepare our students through highly engaged instruction, research, and out-of-class opportunities, combined with a distinctive Open Lab model of learning and discovery that offers real-world experience. We offer nearly fifty degrees in business, engineering, the humanities, the sciences, and nursing.

More than 3,300 students are enrolled in residential instruction, with an additional 950 in Behrend programs offered on World Campus. Small class sizes and low faculty-to-student ratio give Behrend students opportunities to form mentoring relationships with professors.

About 75 percent of Behrend students complete their Penn State degree here. Others study for the first two years of the 275+ degrees offered across the University.

Mission and Goals

Penn State Behrend is an Open Lab, where students partner with external stakeholders to solve real-world challenges. Through an emphasis on student success, curricular excellence, and relevant research, we prepare thinkers, leaders, and innovators to make a positive impact on their professions, their communities, and the greater world.

Departments and Schools

Black School of Business

The Black School of Business is the only institution in northwestern Pennsylvania accredited by AACSB International, the premier accrediting agency for management education. A technology-rich environment and unique learning opportunities are made possible by a \$20 million endowment from the late insurance executive Samuel P. Black Jr. and his wife, Irene.

School of Engineering

The School of Engineering is ranked among the top 40 undergraduate engineering programs nationwide. Why? State-of-the-art facilities, award-winning faculty, ABET-accredited programs in both engineering and engineering technology, small class sizes, emphasis on meaningful

student design and research experiences, and superior internship and job placement.

MORE INFORMATION ABOUT THE SCHOOL OF ENGINEERING (<https://behrend.psu.edu/school-of-engineering/>)

School of Humanities and Social Sciences

The School offers diverse four-year degree programs that develop both intellect and practical skills. Our students are tomorrow's historians, writers, communicators, and educators, exploring and reflecting on our society and the larger world beyond. Highly accomplished faculty are scholars, writers, and skilled teachers with years of practical professional experiences.

School of Science

School of Science students receive a transdisciplinary, hands-on education in basic and applied sciences guided by experienced faculty using state-of-the-art instruments. Students have opportunities for community engagement, service learning, and internships. The hallmark of Science programs is the opportunity to conduct substantive research not typically offered at the undergraduate level.

College Procedures

Change of Campus

The University admits first-semester baccalaureate degree students to a campus that can provide at least two semesters of normal progress toward the program they have selected. Generally, students are expected to complete two full years of academic work at their initial campus.

MORE INFORMATION ABOUT CHANGE OF CAMPUS (<https://www.registrar.psu.edu/degree-planning/change-campus/>)

Concurrent Majors

A Concurrent Majors Program is one in which students take courses to concurrently meet the requirements of at least two majors, with graduation for all majors in the program occurring during the same semester. At the baccalaureate- or associate-degree level, students may be approved for admission to more than one major under the Concurrent Majors Program.

Academic Warning

A student who fails to earn a 2.00 cumulative grade-point average will be placed on academic warning. A student placed on academic warning will have a hold placed on registration and will be required to meet with an academic adviser in order for this registration hold to be removed. To remove academic warning, the cumulative grade-point average must be 2.00 or higher.

READ SENATE POLICY 54-20: ACADEMIC WARNING (<https://senate.psu.edu/students/policies-and-rules-for-undergraduate-students/54-00-academic-progress/>)

Academic Suspension

A student in academic warning who fails to maintain a semester grade-point average of 2.00 or higher will be academically suspended. A student who has been academically suspended may not schedule courses at the University for two consecutive semesters. (Note: Summer session is equal to one semester.) Students wishing to re-enroll at Penn State Behrend after Academic Suspension must prepare a written statement

requesting re-enrollment and submit an Undergraduate Re-Enrollment Form.

Resources

Academic and Career Planning Center

Having a solid academic plan and preparation for the internship and job search is vital for success in a competitive world. The Academic and Career Planning Center can assist you with both the big picture ("Which career is right for me?") and the details ("How do I create a resume?").

MORE INFORMATION ABOUT ACADEMIC AND CAREER PLANNING CENTER (<https://behrend.psu.edu/academics/academic-services/exploratory-and-pre-major-advising-and-career-services/>)

Athletics and Recreation

Don't stop playing the sports you love! Penn State Behrend fields twenty-four NCAA DIII athletic teams for men and women, plus offers club sports, intramurals, and recreation programs.

MORE INFORMATION ABOUT ATHLETICS AND RECREATION (<https://www.psb lions.com/landing/index/>)

Division of Undergraduate Studies

Not sure what you want to major in? You're not alone! Most Penn State students begin their college career in the Division of Undergraduate Studies. DUS students pursue their General Education requirements while they explore major options and career interests.

MORE INFORMATION ABOUT THE DIVISION OF UNDERGRADUATE STUDIES (<https://behrend.psu.edu/academics/academic-services/academic-advising/division-of-undergraduate-studies/>)

Educational Equity and Diversity Programs

Penn State Behrend is committed to promoting diversity. The Office of Educational Equity and Diversity Programs supports and serves as an advocate for diverse populations within the college community, creating an environment that promotes respect for differences while fostering caring relationships and cross-cultural understanding and appreciation.

English Language Study Center

The English Language Study Center offers classes and support services designed to help multicultural learners develop the reading, writing, and speaking skills needed to succeed on the job or in the university-level classroom.

MORE INFORMATION ABOUT THE ENGLISH LANGUAGE STUDY CENTER (<https://behrend.psu.edu/school-of-humanities-social-sciences/programs-events/the-english-language-study-center/>)

Health and Wellness Center

Penn State Behrend has two on-campus Health and Wellness Centers that can diagnose and treat most illnesses and minor injuries. The centers also help students to manage chronic health conditions or obtain needed immunizations. Most major insurances are accepted.

MORE INFORMATION ABOUT THE HEALTH AND WELLNESS CENTER (<https://behrend.psu.edu/student-life/student-services/health/>)

Learning Resource Center

The Learning Resource Center offers free tutoring for most first- and second-year courses and some advanced courses, plus exam prep and study-skills development workshops. Tutoring is available seven days a week on an appointment, drop-in, and group-study basis.

MORE INFORMATION ABOUT THE LEARNING RESOURCE CENTER (<https://behrend.psu.edu/academics/academic-services/learning-resource-center-lrc/>)

Open-Lab Learning

Penn State Behrend's open-lab philosophy creates relevant learning experiences by bringing business and industry together with students and faculty members. Together, these academic-professional teams work to solve business, industry, and community challenges and pursue research and development initiatives.

MORE INFORMATION ABOUT OPEN-LAB LEARNING (<https://behrend.psu.edu/academics/academic-programs/open-lab-real-world-experience-students/>)

Personal Counseling

The Office of Personal Counseling offers free individual counseling, support groups, and psychiatric and crisis intervention services to Penn State Behrend students. All services are free and confidential.

MORE INFORMATION ABOUT PERSONAL COUNSELING (<https://behrend.psu.edu/student-life/student-services/personal-counseling/>)

Special Living Options

Special Living Options, or SLOs, are on-campus intentional communities built around a common interest. There are seven SLOs in Penn State Behrend's nineteen residence halls: Discovery House, Engineering House, Global Boarders, Honors House, Ally House, Living in a Free Environment, and Tree House.

MORE INFORMATION ABOUT SPECIAL LIVING OPTIONS (<https://liveon.psu.edu/behrend/>)

Study Abroad

The Learning Resource Center helps students to find, schedule, and pay for learning experiences outside of the United States. Can't commit to a full year abroad? There are many courses that range from ten days to one semester.

Honors Programs

Schreyer Honors College

The Schreyer Honors College, regarded as one of the nation's top programs of its kind, promotes achieving academic excellence with integrity, building a global perspective, and creating opportunities for

leadership and civic engagement. Schreyer Scholars, including those admitted after their first or second year of enrollment, are a diverse and motivated group of approximately 2,000 students at University Park and 20 Commonwealth campuses. The College strives to educate students who will have an important and ethical influence in the world, to improve educational practice, and to continue to be recognized as a leading force in honors education nationwide.
