

COMPUTER SCIENCE, MINOR (BEHREND)

Requirements for a minor may be completed at any campus location offering the specified courses for the minor. Students may not change from a campus that offers their major to a campus that does not offer their major for the purpose of completing a minor.

Career Paths

The minor in Computer Science can be pursued by students in most Penn State Behrend degree programs. Penn State Behrend has a comprehensive support system to help you identify and achieve your goals for college and beyond. Meet with your academic adviser often and take advantage of the services offered by the Academic and Career Planning Center beginning in your first semester.

Careers

All employers and industry sectors value computing and data-science skills; a minor in Computer Science may set you apart from fellow job-seekers in fields as varied as biology, chemistry, mathematics, physics, science, accounting, economics, business economics, and marketing.
