FINANCE, B.S. (BEHREND)

Begin Campus: Any Penn State Campus

End Campus: Erie, World Campus

Program Description

The Finance major is a unique program that provides the student with a solid foundation in the principles of finance and its major areas: financial management, investments, and financial markets. The coursework is designed to lead to professional certification in financial analysis. Students have job opportunities in a variety of positions with mutual funds, brokerage firms, banks, and insurance companies, as well as positions in corporate finance.

The program provides students with the depth and breadth of knowledge necessary to prepare them for Level I of the Chartered Financial Analysts (CFA) Exam. The rigorous curriculum, including courses in finance, accounting, and economics, is based on the CFA Body of Knowledge developed through surveys of professionals involved in the practice of investment management. Students will be encouraged to take Level I of the CFA exam after graduation.

What is Finance?

Finance focuses on how individuals and business organizations raise money and capital, and how those resources are allocated among competing investment and consumption opportunities. The field focuses on domestic and international financial economies and the role of financial markets and institutions key in the movement of savings and investment capital from lenders to borrowers. It also deals with how individuals and corporate managers evaluate alternative investment and savings opportunities and how they choose among various financial instruments.

You Might Like This Program If...

- You’re looking for a versatile business degree.
- You’d like to invest real money as a director of Behrend’s Intrieri Family Student Managed Fund.
- You’d like to work on Behrend’s simulated trading floor, and use the same Bloomberg information services as professional traders and investors.
- You want to graduate from one of only two Pennsylvania universities accepted into the Chartered Financial Analyst (CFA) Institution University Recognition Program.

Entrance to Major

Entry to the Finance major requires the successful completion of 5 entry-to-major courses: ACCTG 211, ECON 102, ENGL 15 or ENGL 30H, MATH 110 or MATH 140, STAT 200 or SCM 200, and a 2.00 or higher cumulative grade-point average. Each course requires a C or better grade for successful completion.

Degree Requirements

For the Bachelor of Science degree in Finance, 120-123 credits are required:

**Required: For the Bachelor of Science degree in Finance, 120-123 credits are required.**

Cumulative Grade-point average. Each course requires a C or better grade.

- Entrance to Major courses:
  - MATH 110
  - ECON 102
  - ACCTG 211
  - ENGL 15
- Additional Courses:
  - ACCTG 305
- Prescribed Courses:
  - ECON 104
  - PSU 7
  - ACCTG 211
  - ACCTG 426
  - CAS 100
  - ECON 102
  - ENGL 202D
  - FIN 301
  - FIN 420
  - FIN 451
  - FIN 471
  - MGMT 301
  - MGMT 471W
  - MIS 204
  - SCM 301
  - FIN 471W
  - ENGL 15
  - or ENGL 30H
  - MATH 110
  - or MATH 140
  - SCM 200
  - or STAT 200
- Select 4-7 credits from the following sequences:
  - ACCTG 305

Per Senate Policy 83.80.5, the college dean or campus chancellor and program faculty may require up to 24 credits of coursework in the major to be taken at the location or in the college or program where the degree is earned.

Requirements for the Major

Each student must earn at least a grade of C in each 300- and 400-level course in the major field.

To graduate, a student enrolled in the major must earn a grade of C or better in each course designated by the major as a C-required course, as specified by Senate Policy 82-44 (https://senate.psu.edu/students/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/).

Select one of the following:
- ECON 304 Intermediate Macroeconomic Analysis
- ECON 351 Money and Banking
- ECON 442 Managerial Economics
- ECON 481 Business Forecasting Techniques
- ECON 485 Econometric Techniques

Select 6 additional credits from 400-level FIN elective courses, excluding FIN 494 and FIN 495.

Select 6 credits from FIN or other business courses.

Supporting Courses and Related Areas
Select 15 credits from any business major field or any non-business major course, except for all KINES (GHW) courses, any ENGL course below ENGL 15, and any MATH course below MATH 110. Exceptions may be petitioned through the applicable department chair.

General Education
Connecting career and curiosity, the General Education curriculum provides the opportunity for students to acquire transferable skills necessary to be successful in the future and to thrive while living in interconnected contexts. General Education aids students in developing intellectual curiosity, a strengthened ability to think, and a deeper sense of aesthetic appreciation. These are requirements for all baccalaureate students and are often partially incorporated into the requirements of a program. For additional information, see the General Education Requirements (https://bulletins.psu.edu/undergraduate/general-education/baccalaureate-degree-general-education-program/) section of the Bulletin and consult your academic adviser.

The keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program.

Foundations (grade of C or better is required and Inter-Domain courses do not meet this requirement.)
- Quantification (GQ): 6 credits
- Writing and Speaking (GWS): 9 credits

Breadth in the Knowledge Domains (Inter-Domain courses do not meet this requirement.)
- Arts (GA): 3 credits
- Health and Wellness (GHW): 3 credits
- Humanities (GH): 3 credits
- Social and Behavioral Sciences (GS): 3 credits
- Natural Sciences (GN): 3 credits

Integrative Studies
- Inter-Domain Courses (Inter-Domain): 6 credits

Exploration
- GN, may be completed with Inter-Domain courses: 3 credits
- GA, GH, GN, GS, Inter-Domain courses. This may include 3 credits of World Language course work beyond the 12th credit level or the requirements for the student’s degree program, whichever is higher: 6 credits

University Degree Requirements
First Year Engagement
All students enrolled in a college or the Division of Undergraduate Studies at University Park, and the World Campus are required to take 1 to 3 credits of the First-Year Seminar, as specified by their college First-Year Engagement Plan.

Other Penn State colleges and campuses may require the First-Year Seminar; colleges and campuses that do not require a First-Year Seminar provide students with a first-year engagement experience.

First-year baccalaureate students entering Penn State should consult their academic adviser for these requirements.

Cultures Requirement
6 credits are required and may satisfy other requirements
- United States Cultures: 3 credits
- International Cultures: 3 credits

Writing Across the Curriculum
3 credits required from the college of graduation and likely prescribed as part of major requirements.

Total Minimum Credits
A minimum of 120 degree credits must be earned for a baccalaureate degree. The requirements for some programs may exceed 120 credits. Students should consult with their college or department adviser for information on specific credit requirements.

Quality of Work
Candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

Limitations on Source and Time for Credit Acquisition
The college dean or campus chancellor and program faculty may require up to 24 credits of course work in the major to be taken at the location or in the college or program where the degree is earned. Credit used toward degree programs may need to be earned from a particular source or within time constraints (see Senate Policy 83-80 (https://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#83-80)). For more information, check the Suggested Academic Plan for your intended program.

Program Learning Objectives
- CRITICAL AND INTEGRATIVE THINKING: Students will be able to think critically across business disciplines by considering different perspectives and using an integrated, holistic approach to perform relevant analyses, construct valid arguments, and make appropriate conclusions.
- ORAL COMMUNICATION: Students will be able to execute the oral communication skills that they have learned in the interactive business courses to business situations where effective explanation, persuasion, exchanging information and ideas are essential.
- WRITING COMPETENCE: Students will be able to demonstrate effective business writing skills.
- TEAMWORK: Students will be positive contributors to an effective team functioning via application of their functional skills in addition to strong interpersonal skills.
• ETHICS AND SOCIAL RESPONSIBILITY: Students will be able to recognize ethical issues and apply ethical theories in business situations at individual and/or organizational levels.

• FUNCTIONAL AREA KNOWLEDGE (ETS): Students will be able to apply foundational knowledge to analyze and solve problems and interpret written and visual material across various business domains.

• FUNCTIONAL AREA KNOWLEDGE (ACCOUNTING): Students will be able to demonstrate a broad general knowledge of the principles of accounting, both managerial and financial.

• FUNCTIONAL AREA KNOWLEDGE (ECONOMICS): Students will be able to demonstrate a broad general knowledge of the principles of economics, both microeconomics and macroeconomics.

• FUNCTIONAL AREA KNOWLEDGE (FINANCE): Students will be able to demonstrate a broad general knowledge of the principles of finance.

• FUNCTIONAL AREA KNOWLEDGE (MIS): Students will be able to describe the benefits and challenges of applying information technology in various organizations and functional areas.

• FUNCTIONAL AREA KNOWLEDGE (INTERNATIONAL BUSINESS): Students will be able to apply basic multidisciplinary knowledge needed to conduct international business and analyze the impact of globalization.

• FUNCTIONAL AREA KNOWLEDGE (LEGAL ENVIRONMENT): Students will be able to identify key terms, concepts, and theories of the law, evaluate how law affects business, analyze legal issues, and apply the law to business situations.

• FUNCTIONAL AREA KNOWLEDGE (MANAGEMENT): Students will be able to demonstrate a broad knowledge of the business discipline of management.

• FUNCTIONAL AREA KNOWLEDGE (MARKETING): Students will be able to demonstrate comprehensive knowledge in the field of marketing.

• FUNCTIONAL AREA KNOWLEDGE (QUANTITATIVE BUSINESS ANALYSIS): Students will be able to demonstrate a broad knowledge of quantitative business analysis.

• FUNCTIONAL AREA KNOWLEDGE (SUPPLY CHAIN MANAGEMENT): Students will be able to demonstrate a broad knowledge of supply chain management.

### Academic Advising

The objectives of the university’s academic advising program are to help advisees identify and achieve their academic goals, to promote their intellectual discovery, and to encourage students to take advantage of both in-and out-of class educational opportunities in order that they become self-directed learners and decision makers.

Both advisers and advisees share responsibility for making the advising relationship succeed. By encouraging their advisees to become engaged in their education, to meet their educational goals, and to develop the habit of learning, advisers assume a significant educational role. The advisee’s unit of enrollment will provide each advisee with a primary academic adviser, the information needed to plan the chosen program of study, and referrals to other specialized resources.
