

FUNCTIONAL DATA ANALYTICS, B.S.

Begin Campus: Any Penn State Campus

End Campus: World Campus

Entrance To Major

Entry to the Functional Data Analytics major requires the successful completion of 4 entry-to-major courses: CMPSC 121 or CMPSC 131, DA 101, MATH 110 or MATH 140, and DS 200 or PSYCH 200 or SCM 200 or STAT 200 or STAT 250. Each course requires a C or better grade for successful completion.
