MARKETING, B.S. (BEHREND)

Begin Campus: Any Penn State Campus

End Campus: Erie

Program Description
The objective of the Marketing major is to provide professional education to students leading to careers in business, government, and non-profit organizations. Typically, graduates are employed in business-to-business marketing, marketing management, sales management, retailing, marketing research, digital marketing, and brand management. The major provides a solid foundation in marketing practice, such as analyzing and understanding the needs and wants of present and potential customers, designing appropriate product offerings, establishing pricing policies, developing communication strategies, devising efficient distribution strategies, researching marketing data for the above functions, and coordinating marketing programs with other functional areas of business.

What is Marketing?
Marketing is a broad field with a primary purpose of generating demand for an enterprise's products or services. It involves an understanding of consumer behavior and research to determine consumer preferences and to guide firms in dealing with those preferences.
