You Might Like This Program If...

- Human behavior fascinates you.
- You wonder how personality influences behavior, how brain function relates to behaviors, how memory works, or how people make decisions.
- You're fascinated by how people interact with machines and technology, workplace dynamics, leadership, and motivation.
- You want to know more about child/adolescent development, parenting, and learning.
- You are interested in human diversity in all its forms, including personality, gender, and culture.
- You'd like to help people who have psychological disorders.
