

COMMUNICATION SCIENCES AND DISORDERS, B.S. (CAPITAL)

Begin Campus: Any Penn State Campus

End Campus: Harrisburg

Program Description

This major offers a comprehensive program of study for preparing students who want to become speech-language pathologists or audiologists. The curriculum is specifically designed for the sole purpose of preparing undergraduate students for graduate study in communication sciences and disorders or related areas. This occurs because state licensure laws and professional certifications require that a speech-language pathologist or audiologist must have a master's degree, pass a national test, and complete a clinical fellowship year.

Overall, the curriculum enables students to develop fundamental knowledge based on scientific principles, skills, and attitudes required for habilitating and rehabilitating persons of all ages with a wide range of speech, language, and hearing problems. Further, the curriculum allows students an opportunity to explore all aspects of communication sciences and disorders as well as elect courses of special interest.

The first two years of study emphasize general education and background study. The last two years of study emphasize normal and disordered aspects of speech, language, and hearing as well as professional management, concerns, and obligations. Clinical observation and diversity focused coursework are included in the curriculum.

What is Communication Sciences and Disorders?

Communication Sciences and Disorders (CSD) is the study of human communication disorders. Undergraduate students acquire a strong foundation in the basic sciences and processes related to typical, delayed and disordered speech, language, cognition, swallowing, and hearing. Students gain critical-thinking abilities necessary to apply foundational knowledge and skills to the identification, assessment, and treatment of communication disorders. Graduates proceed to advanced degrees in speech-language pathology or audiology to habilitate and rehabilitate children and adults with a variety of disorders and delays through service and research. Speech-language pathologists and audiologists are employed in environments such as schools, hospitals, rehabilitation centers, community clinics and nursing homes.

You Might Like This Program If...

- You know you will find fulfillment in working closely with others.
- You want to pursue a career in a helping profession.
- You envision yourself teaching people skills to improve their quality of life.
- You want to develop new interventions for those with communications disorders.

MORE INFORMATION ABOUT COMMUNICATION SCIENCES AND DISORDERS (<https://hhd.psu.edu/csd/communication-sciences-and-disorders-undergraduate-program/>)

Entrance to Major

In order to be eligible for entrance to this major, a student must:

1. attain at least a C (2.00) cumulative grade-point average for all courses taken at the University; and
2. have third-semester classification (<http://www.registrar.psu.edu/enrollment/semester-classification.cfm>).

READ SENATE POLICY 37-30: ENTRANCE TO AND CHANGES IN MAJOR PROGRAMS OF STUDY (<http://senate.psu.edu/policies-and-rules-for-undergraduate-students/37-00-entrance-to-a-college-or-major/>)

Degree Requirements

For the Bachelor of Science degree in Communication Sciences and Disorders, a minimum of 120 credits is required:

Requirement	Credits
General Education	45
Electives	30
Requirements for the Major	54-55

9-10 of the 45 credits for General Education are included in the Requirements for the Major. This includes: 6 credits of GS courses; 3-4 credits of GQ courses.

To satisfy graduation requirements, students must have completed 6 credits from courses offered in the college and outside the department in which the major is offered.

Per Senate Policy 83.80.5, the college dean or campus chancellor and program faculty may require up to 24 credits of coursework in the major to be taken at the location or in the college or program where the degree is earned. CSD requires students to complete 24 credits for the major through courses taken at University Park. Courses taken at other Penn State campuses may not be counted toward this 24 credit minimum. For more information, check the Recommended Academic Plan for this major.

General Education

Connecting career and curiosity, the General Education curriculum provides the opportunity for students to acquire transferable skills necessary to be successful in the future and to thrive while living in interconnected contexts. General Education aids students in developing intellectual curiosity, a strengthened ability to think, and a deeper sense of aesthetic appreciation. These are requirements for all baccalaureate students and are often partially incorporated into the requirements of a program. For additional information, see the General Education Requirements (<http://bulletins.psu.edu/undergraduate/general-education/baccalaureate-degree-general-education-program/>) section of the Bulletin and consult your academic adviser.

The keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program.

Foundations (grade of C or better is required.)

- **Quantification (GQ):** 6 credits
- **Writing and Speaking (GWS):** 9 credits

Knowledge Domains

- **Arts (GA):** 6 credits
- **Health and Wellness (GHW):** 3 credits
- **Humanities (GH):** 6 credits
- **Social and Behavioral Sciences (GS):** 6 credits
- **Natural Sciences (GN):** 9 credits

Integrative Studies (may also complete a Knowledge Domain requirement)

- **Inter-Domain or Approved Linked Courses:** 6 credits

University Degree Requirements

First Year Engagement

All students enrolled in a college or the Division of Undergraduate Studies at University Park, and the World Campus are required to take 1 to 3 credits of the First-Year Seminar, as specified by their college First-Year Engagement Plan.

Other Penn State colleges and campuses may require the First-Year Seminar; colleges and campuses that do not require a First-Year Seminar provide students with a first-year engagement experience.

First-year baccalaureate students entering Penn State should consult their academic adviser for these requirements.

Cultures Requirement

6 credits are required and may satisfy other requirements

- United States Cultures: 3 credits
- International Cultures: 3 credits

Writing Across the Curriculum

3 credits required from the college of graduation and likely prescribed as part of major requirements.

Total Minimum Credits

A minimum of 120 degree credits must be earned for a baccalaureate degree. The requirements for some programs may exceed 120 credits. Students should consult with their college or department adviser for information on specific credit requirements.

Quality of Work

Candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

Limitations on Source and Time for Credit Acquisition

The college dean or campus chancellor and program faculty may require up to 24 credits of course work in the major to be taken at the location or in the college or program where the degree is earned. Credit used toward degree programs may need to be earned from a particular source or within time constraints (see Senate Policy 83-80 (<http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#83-80>)). For more information, check the Suggested Academic Plan for your intended program.

Requirements for the Major

To graduate, a student enrolled in the major must earn a grade of C or better in each course designated by the major as a C-required course, as specified by Senate Policy 82-44 (<http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#82-44>).

Code	Title	Credits
Prescribed Courses		
PSYCH 100	Introductory Psychology	3
<i>Prescribed Courses: Require a grade of C or better</i>		
CSD 146	Introduction to Communication Sciences and Disorders	3
CSD 230	Introduction to Audiology	3
CSD 269	Deaf Culture	3
CSD 300	Developmental Considerations in the Assessment and Treatment of Language Disorders	3
CSD 311	Clinical Phonetics	3
CSD 331	Anatomy and Physiology for Speech and Hearing	3
CSD 341	Acoustic Principles in Communication Sciences and Disorders	3
CSD 433	Aural Rehabilitation	3
CSD 442	Introduction to Disorders of Articulation and Phonology	3
CSD 444	Introduction to Organic Disorders of Speech and Language	3
CSD 451	An Introduction to Augmentative and Alternative Communication	3
CSD 459W	Principles of Clinical Management in Communication Disorders	3
CSD 462	Clinical Bases of Language Disorders	3
Additional Courses		
EDPSY 14	Learning and Instruction	3
or PSYCH 261	Introduction to Psychology of Learning	
HDFS 129	Introduction to Human Development and Family Studies	3
or PSYCH 212	Introduction to Developmental Psychology	
Select 3-4 credits of the following:		3-4
EDPSY 101	Analysis and Interpretation of Statistical Data in Education	
PSYCH 200	Elementary Statistics in Psychology	
STAT 200	Elementary Statistics	
Select one of the following:		3
HDFS 229	Infant and Child Development	
HDFS 249N	Adult Development and Aging	
HDFS 315	Family Development	
HDFS 411	The Helping Relationship	
HDFS 418	Family Relationships	
HDFS 432	Developmental Problems in Childhood and Adolescence	
PSYCH 270	Introduction to Abnormal Psychology	
PSYCH 471	Psychology of Adjustment and Social Relationships	

Academic Advising

The objectives of the university's academic advising program are to help advisees identify and achieve their academic goals, to promote their intellectual discovery, and to encourage students to take advantage of both in-and out-of class educational opportunities in order that they become self-directed learners and decision makers.

Both advisers and advisees share responsibility for making the advising relationship succeed. By encouraging their advisees to become engaged in their education, to meet their educational goals, and to develop the habit of learning, advisers assume a significant educational role. The advisee's unit of enrollment will provide each advisee with a primary academic adviser, the information needed to plan the chosen program of study, and referrals to other specialized resources.

Suggested Academic Plan

The suggested academic plan(s) listed on this page are the plan(s) that are in effect during the 2020-21 academic year. To access previous years' suggested academic plans, please visit the archive (<https://bulletins.psu.edu/undergraduate/archive/>) to view the appropriate Undergraduate Bulletin edition (Note: the archive only contain suggested academic plans beginning with the 2018-19 edition of the Undergraduate Bulletin).

Harrisburg Campus

The course series listed below provides **only one** of the many possible ways to move through this curriculum. The University may make changes in policies, procedures, educational offerings, and requirements at any time. This plan should be used in conjunction with your degree audit (accessible in LionPATH as either an **Academic Requirements** or **What If** report). Please consult with a Penn State academic adviser on a regular basis to develop and refine an academic plan that is appropriate for you.

First Year

Fall	Credits	Spring	Credits
PSYCH 100 (GS) ^{†1}	3	EDPSY 14 or PSYCH 261 ¹	3
ENGL 15S, 30T, or ESL 15 (General Education (GWS)) ^{‡2,3}	3	HDFS 129 or PSYCH 212 (General Education (GS)) ²	3
CI 280 or ENGL 228 (General Education (GH)) ²	3	CI 280 or ENGL 228 (General Education (GH)) ²	3
INART 50Z, CHEM 1, CHEM 101, or PHYS 1 (General Education (GN) Physical Science) ^{2,4}	3	INART 50Z, CHEM 1, CHEM 101, or PHYS 1 (General Education (GN) Physical Science) ^{2,4}	3

MUSIC 11Z (General Education (GA)) ^{2,4}	3	MUSIC 11Z, ARTH 307N, or CMLIT 128N (General Education (GA)) ^{2,5}	3
CAS 100S (General Education (GWS)) ^{‡2,3}	3	Elective ⁶	3

15-18 15-18

Second Year

Fall	Credits	Spring	Credits

CSD 462 ^{*1}	3	CSD 459W ^{*1}	3
Elective ⁶	3	Elective ⁶	3
Elective ⁶	3	Elective ⁶	3

15 15

Total Credits 120-127

* Course requires a grade of C or better for the major

‡ Course requires a grade of C or better for General Education

Course is an Entrance to Major requirement

† Course satisfies General Education and degree requirement

¹ Course is required for the major.

² General Education course(s) recommended for the major.

³ Students must complete 3 credits of S or T courses to satisfy the Penn State Harrisburg First-Year Seminar Credit. Other S or T courses may be available but are not recommended.

⁴ INART 50Z and MUSIC 11Z are linked courses that together satisfy the Integrative Studies requirement. These courses may double-count for other General Education courses. Students must complete two Integrative Studies courses.

4 Communication Sciences and Disorders, B.S. (Capital)

⁵ Interdomain courses that can satisfy the Integrative Studies requirement. Students must complete two Integrative Studies courses. These courses may double-count for other General Education courses.

⁶ CSD strongly recommends the following electives (in this order of preference). Check for prerequisites.
LING 1 (GS), CI 280 (GH), CSD 431, LING 100 (GS), MATH 21⁵ (GQ), SPLED 404, INART 50Z (GN), CSD 218, CSD 318, CSD 100, EDUC 458, EDUC 459, ENGL 228 (GH), CAS 101N (GH/GS), LTNST 127 (GH), SOC 119N (GS), CAS 162N (GH/GS), Any LING/APLNG, Any HDF5, Any PSYCH, Any SOC

⁷ MATH 21 provides preparation to take the Graduate Record Examination (GRE) for students who are applying to graduate school in Speech-Language Pathology or Audiology.

⁸ ENGL 202C is the recommended course.

University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

GWS, GQ, GHW, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GHW, GN, GA, GH, GS, and Integrative Studies). Foundations courses (GWS and GQ) require a grade of 'C' or better.

Integrative Studies courses are required for the General Education program. N is the suffix at the end of a course number used to designate an Inter-Domain course and Z is the suffix at the end of a course number used to designate a Linked course.

Advising Notes:

- This information is subject to revision. Please speak to an adviser to confirm requirements and recommendations.
- All students must complete 45 credits of General Education courses. See Baccalaureate Degree General Education Requirements (<http://bulletins.psu.edu/undergraduate/general-education/baccalaureate-degree-general-education-program/>) for a full description and rationale.
- **Common Course Substitutions** (Each may be completed once)
 - **Move 3:** An extra GN, GA, GH, GS, or GHW can substitute for a course in one of the other areas (e.g., LING 100 [GS] in place of a GH course)
 - **Foreign Language:** Any language course at the 3 level or higher can substitute for one GN, GS, GH, or GA course (e.g., SPAN 3 in place of a GN course)

Career Paths

Students who complete an advanced degree in speech-language pathology evaluate, diagnose and provide treatment for people of all ages who have communication disabilities and differences. Speech-language pathologists with master's degrees work in hospital and rehabilitation centers, schools, community clinics, nursing homes, and private practice. Audiology students who complete a clinical doctorate of audiology degree (Au.D.) evaluate, diagnose and treat people of all ages with hearing loss. Speech-language pathologists and audiologists who

earn doctorate (Ph.D.) degrees typically teach and conduct research in a university setting.
