

# INTEGRATIVE SCIENCE, B.S. (SCIENCE)

---

**Begin Campus:** Any Penn State Campus

**End Campus:** University Park

## Career Paths

Penn State students with a BS in Integrative Science are prepared for a broad range of careers and graduate programs. The solid foundation of science and math prepares students to think critically and scientifically in a range of industries and professions.

## Careers

This program often leads to careers in all healthcare professions, including physicians and physician assistants, dentists, optometrists, and podiatrists; laboratory research associates; scientific product representatives and science-based consulting.

## Opportunities for Graduate Studies

Many graduates of the Integrative Science B.S. program choose to pursue graduate studies (MS and PhD) in the natural sciences. Most often, students gravitate to medically-related fields and life science sub-disciplines for focused graduate training. Students in the legal studies and public policy options may choose law school or master's in public policy programs.
