

SPECIAL EDUCATION, MINOR

Requirements for a minor may be completed at any campus location offering the specified courses for the minor. Students may not change from a campus that offers their major to a campus that does not offer their major for the purpose of completing a minor.

Career Paths

The minor in Special Education enhances the education of students who anticipate working with people with disabilities as educators, speech language pathologists, and/or therapists. The minor will enhance graduate study preparation for many students interested in working with people in applied settings, as well as persons who wish to pursue certification as a special education teacher.

Careers

Education, speech language pathology, occupational therapy.

Opportunities for Graduate Studies

Students who complete the Special Education minor will complete coursework that will prepare them for graduate study in special education.
