WORKFORCE EDUCATION AND DEVELOPMENT, B.S.

Begin Campus: Any Penn State Campus
End Campus: University Park

Program Description
This major leads to the B.S. degree and may also lead to certification as a career and technical education teacher, and/or a coordinator of cooperative education, provided other requirements of the Pennsylvania Department of Education are met. The Industrial Training option does not lead to teacher certification.

To be certified by the Pennsylvania Department of Education as a career and technical education teacher, a person must have sufficient employment experience beyond the learning period to establish competency in the occupation to be taught. Further interpretation of this requirement may be secured by contacting the Department of Learning and Performance Systems. (See also Teacher Education Programs [http://www.ed.psu.edu/educ/current-students/undergraduate/certification/instructional-1].)

What is Workforce Education and Development?
Workforce Education and Development (WFED) at Penn State is a unique college program for people who have completed career and technical education (CTE) programs in high school or postsecondary technical colleges. This program aims to prepare you to teach the occupational area you studied before coming to Penn State. WFED graduates earn the Bachelor of Science degree and a Pennsylvania Certificate that allows them to teach in public schools.

You Might Like This Program If...
You attended a career and technical school and never took "college prep" high school courses, if so, this program may be a good fit for you. In fact, your high school technical coursework is what you need for admission to this program. A Workforce Education and Development degree is for people who completed technical programs, such as automotive technology, auto body technology, carpentry, commercial art, computer networking, cosmetology, culinary arts, drafting, electrical technology, electronics, graphic arts, HVAC, machining, masonry, plumbing, welding, and more.

Entrance to Major
Baccalaureate degree candidates must meet the following requirements by the end of their fourth semester to be admitted to the Workforce Education (WFED) major.

1. Complete the following courses: ECON 102 or ECON 104, EDPSY 14, EDTHP 115, ENGL 15 or ENGL 30, and WFED 101
2. Complete 3 credits in literature (GH)
3. Complete 6 credits in Quantification (GQ)
4. Minimum 3.00 cumulative GPA
5. Meet PRAXIS PPST-READING current qualifying scores
6. Meet PRAXIS PPST-WRITING current qualifying scores
7. Meet PRAXIS PPST-MATHEMATICS current qualifying scores
8. Complete and document a minimum of 80 hours of experience

Degree Requirements
For the Bachelor of Science degree in Workforce Education and Development, a minimum of 124 credits is required:

<table>
<thead>
<tr>
<th>Requirement</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>General Education</td>
<td>45</td>
</tr>
<tr>
<td>Electives</td>
<td>0-1</td>
</tr>
<tr>
<td>Requirements for the Major</td>
<td>81-82</td>
</tr>
</tbody>
</table>

3 of the 45 credits for General Education are included in the Requirements for the Major. This includes 3 credits of General Education GS courses.

General Education
Connecting career and curiosity, the General Education curriculum provides the opportunity for students to acquire transferable skills necessary to be successful in the future and to thrive while living in interconnected contexts. General Education aids students in developing intellectual curiosity, a strengthened ability to think, and a deeper sense of aesthetic appreciation. These are requirements for all baccalaureate students and are often partially incorporated into the requirements of a program. For additional information, see the General Education Requirements [http://bulletins.psu.edu/undergraduate/general-education/baccalaureate-degree-general-education-program] section of the Bulletin and consult your academic adviser.

The Keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program.

Foundations (grade of C or better is required.)
- Quantification (GQ): 6 credits
- Writing and Speaking (GWS): 9 credits

Knowledge Domains
- Arts (GA): 6 credits
- Health and Wellness (GHW): 3 credits
- Humanities (GH): 6 credits
- Social and Behavioral Sciences (GS): 6 credits
- Natural Sciences (GN): 9 credits

Integrative Studies (may also complete a Knowledge Domain requirement)
- Inter-Domain or Approved Linked Courses: 6 credits

University Degree Requirements
First Year Engagement
All students enrolled in a college or the Division of Undergraduate Studies at University Park, and the World Campus are required to take 1 to 3 credits of the First-Year Seminar, as specified by their college First-Year Engagement Plan.

Other Penn State colleges and campuses may require the First-Year Seminar; colleges and campuses that do not require a First-Year Seminar provide students with a first-year engagement experience.

First-year baccalaureate students entering Penn State should consult their academic adviser for these requirements.
Cultures Requirement
6 credits are required and may satisfy other requirements

- United States Cultures: 3 credits
- International Cultures: 3 credits

Writing Across the Curriculum
3 credits required from the college of graduation and likely prescribed as part of major requirements.

Total Minimum Credits
A minimum of 120 degree credits must be earned for a baccalaureate degree. The requirements for some programs may exceed 120 credits. Students should consult with their college or department adviser for information on specific credit requirements.

Quality of Work
Candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

Limitations on Source and Time for Credit Acquisition
The college dean or campus chancellor and program faculty may require up to 24 credits of course work in the major to be taken at the location or in the college or program where the degree is earned. Credit used toward degree programs may need to be earned from a particular source or within time constraints (see Senate Policy 83-80). For more information, check the Suggested Academic Plan for your intended program.

Requirements for the Major
Common Requirements for the Major (All Options)
A grade of C or better per course is required for teacher certification.

Requirements for the Option
Industrial Education Option (43 credits)
A grade of C or better per course is required for teacher certification.

Requirements for the Option
Health Occupations Education Option (43 credits)
A grade of C or better per course is required for teacher certification.

Requirements for the Option
Operating Cooperative Vocational Education (44 credits)
A grade of C or better per course is required for teacher certification.
Academic Advising

The objectives of the university’s academic advising program are to help advisees identify and achieve their academic goals, to promote their intellectual discovery, and to encourage students to take advantage of both in-and out-of class educational opportunities in order that they become self-directed learners and decision makers.

Both advisers and advisees share responsibility for making the advising relationship succeed. By encouraging their advisees to become engaged in their education, to meet their educational goals, and to develop the habit of learning, advisers assume a significant educational role. The advisee’s unit of enrollment will provide each advisee with a primary academic adviser, the information needed to plan the chosen program of study, and referrals to other specialized resources.

READ SENATE POLICY 32-00: ADVISING POLICY (http://senate.psu.edu/policies-and-rules-for-undergraduate-students/32-00-advising-policy)

Suggested Academic Plan

University Park Campus

The course series listed below provides only one of the many possible ways to move through this curriculum. The University may make changes in policies, procedures, educational offerings, and requirements at any time. This plan should be used in conjunction with your degree audit (accessible in LionPATH as either an Academic Requirements or What If report). Please consult with a Penn State academic adviser on a regular basis to develop and refine an academic plan that is appropriate for you.

* Course requires a grade of C or better for the major

‡ Course requires a grade of C or better for General Education

# Course is an Entrance to Major requirement

† Course satisfies General Education and degree requirement

University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

GWS, GQ, GHW, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GHW, GN, GA, GH, GS, and Integrative Studies). Foundations courses (GWS and GQ) require a grade of ‘C’ or better.

Integrative Studies courses are required for the General Education program. N is the suffix at the end of a course number used to designate an Inter-Domain course and Z is the suffix at the end of a course number used to designate a Linked course.

Occupational Home Economics Education Option (43 credits)

A grade of C or better per course is required for teacher certification.

Health and Physical Activity 1.5 Mathematics Selection<sup>‡</sup> 3
All incoming Schreyer Honors College first-year students at University Park will take ENGL/CAS 137 in the fall semester and ENGL/CAS 138 in the spring semester. These courses carry the GWS designation and replace both ENGL 30 and CAS 100. Each course is 3 credits.

1 Literature Selection list of acceptable courses available here (https://ed.psu.edu/current-students/undergrad/academic-programs/literature).

### Career Paths
WFED graduates are teachers and administrators in career-oriented educational programs, including CTE courses, Apprenticeships, Cooperative Education, Tech-Prep, High Schools That Work, and technical postsecondary colleges. In industry, WFED graduates keep employees up-to-date with rapid changes in technology, equipment, and work processes.

### Careers
Our graduates have careers as teachers, trainers, safety administrators, and managers. And You Can Too!

### Opportunities for Graduate Studies
Penn State’s Workforce Education and Development program offers certificate programs as well as graduate degree programs leading to master’s of education (M.Ed.) and master’s of science (M.S.) degrees. Students interested in these programs leading to the master’s degree in Workforce Education and Development should be employed, or wish to be employed, as faculty members, trainers, administrators, or researchers in settings emphasizing education for work in private sector firms, schools, occupational home economics, cooperative education, youth apprenticeship, or employment and training. The Pennsylvania State University Workforce Education and Development program offers a graduate degree program leading to degree of Doctor of Philosophy (Ph.D.). Students interested in this program should be employed in or aspire to be employed as faculty, trainers, administrators, or researchers in education-for-work settings such as business, industry, health fields, and occupational home economics.

MORE INFORMATION ABOUT OPPORTUNITIES FOR GRADUATE STUDIES (https://ed.psu.edu/lps/workforce-ed/masters)

### Professional Resources
- Association for Career and Technical Education (ACTE) (https://www.acteonline.org)
- Association for Career and Technical Education Research (http://acteronline.org)

### Accreditation
The College of Education educator preparation program is currently NCATE accredited and is seeking accreditation by the Council for the Accreditation of Education Preparation (CAEP) in Spring 2019. CAEP advances excellence in educator preparation through evidence-based accreditation that assures quality and supports continuous improvement to strengthen P-12 student learning.
