University Requirements and General Education Notes:
US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).
W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.
GWS, GQ, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GN, GA, GH, and GS). Foundations courses (GWS and GQ) require a grade of 'C' or better.

Advising Notes:
• Technical Elective choose from: MATH 140, BISC 3, CHEM 110.
• Students need one of each: GA, GH, GS, Technical Elective. Students also need an IL-designated course.
• STS 245 will satisfy the GS requirement and is also designated IL.
• Students can also take STS 200 (GS) or STS 233 (GH) as a substitution for STS 245, but in either case they will need to re-adjust other general education courses to make sure they satisfy all general education requirements. Students should consult with an adviser in this situation.
• Suggested Technical Electives: MATH 140 (typically offered spring and fall), BISC 3 (typically offered spring and fall), CHEM 110 (spring and fall).
• Students should consult their adviser for other possible technical electives.

### University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

GWS, GQ, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GN, GA, GH, and GS). Foundations courses (GWS and GQ) require a grade of 'C' or better.

### College Notes:

• Scheduling patterns for courses not taught each semester: Some major/option courses are offered only Fall or Spring semester, as listed on guide.

• The courses in this major are sequential. If taken out of sequence, scheduling conflicts may arise.

### Program Notes:

• Track Selections - see audit.

### Academic Advising Notes:

• Academic planning guides should always be used in conjunction with a degree audit and consultation with an adviser.

US, IL, and US;IL are codes used to designate courses that satisfy University United States/International Cultures requirements. All students are required to take one IL or one US course before graduation. A course designated as US;IL may be used as a US or an IL, not both.
