ELECTRICAL ENGINEERING
TECHNOLOGY, B.S. (ENGINEERING)

Begin Campus: Any Penn State Campus
End Campus: Wilkes-Barre

Degree Requirements
For the Bachelor of Science degree in Electrical Engineering Technology, a minimum of 128 credits is required:

<table>

18 of the 45 credits for General Education are included in the Requirements for the Major. This includes: 3 credits of GWS courses; 9 credits of GN courses; 6 credits of GQ courses.

General Education
Connecting career and curiosity, the General Education curriculum provides the opportunity for students to acquire transferable skills necessary to be successful in the future and to thrive while living in interconnected contexts. General Education aids students in developing intellectual curiosity, a strengthened ability to think, and a deeper sense of aesthetic appreciation. These are requirements for all baccalaureate students and are often partially incorporated into the requirements of a program. For additional information, see the General Education Requirements (https://bulletins.psu.edu/undergraduate/general-education/baccalaureate-degree-general-education-program/) section of the Bulletin and consult your academic adviser.

The keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program.

Foundations (grade of C or better is required.)
• Quantification (GQ): 6 credits
• Writing and Speaking (GWS): 9 credits

Knowledge Domains
• Arts (GA): 6 credits
• Health and Wellness (GHW): 3 credits
• Humanities (GH): 6 credits
• Social and Behavioral Sciences (GS): 6 credits
• Natural Sciences (GN): 9 credits

Integrative Studies (may also complete a Knowledge Domain requirement)
• Inter-Domain or Approved Linked Courses: 6 credits

University Degree Requirements
First Year Engagement
All students enrolled in a college or the Division of Undergraduate Studies at University Park, and the World Campus are required to take 1 to 3 credits of the First-Year Seminar, as specified by their college First-Year Engagement Plan.

Other Penn State colleges and campuses may require the First-Year Seminar; colleges and campuses that do not require a First-Year Seminar provide students with a first-year engagement experience.

First-year baccalaureate students entering Penn State should consult their academic adviser for these requirements.

Cultures Requirement
6 credits are required and may satisfy other requirements
• United States Cultures: 3 credits
• International Cultures: 3 credits

Writing Across the Curriculum
3 credits required from the college of graduation and likely prescribed as part of major requirements.

Total Minimum Credits
A minimum of 120 degree credits must be earned for a baccalaureate degree. The requirements for some programs may exceed 120 credits. Students should consult with their college or department adviser for information on specific credit requirements.

Quality of Work
Candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

Limitations on Source and Time for Credit Acquisition
The college dean or campus chancellor and program faculty may require up to 24 credits of course work in the major to be taken at the location or in the college or program where the degree is earned. Credit used toward degree programs may need to be earned from a particular source or within time constraints (see Senate Policy 82-44 (http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#82-44)). For more information, check the Suggested Academic Plan for your intended program.

Requirements for the Major
To graduate, a student enrolled in the major must earn a grade of C or better in each course designated by the major as a C-required course, as specified by Senate Policy 82-44 (http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#82-44).

Additional Courses
Select 2-3 credits of the following:  
- EDSGN 100 Cornerstone Engineering Design
- EGT 101 and Introduction to Computer Aided Drafting & EGT 102

Select 3 credits of the following:
- CMPSC 101 Introduction to Programming
- CMPSC 121 Introduction to Programming Techniques
- CMPSC 201 Programming for Engineers with C++

Select 3 credits of the following:
- CMPSC 101 Introduction to Programming
- CMPSC 121 Introduction to Programming Techniques
- CMPSC 201 Programming for Engineers with C++

Select 6-8 credits of the following:
- PHYS 150 Technical Physics I & PHYS 151 Technical Physics II
- PHYS 211 General Physics: Mechanics & PHYS 212 General Physics: Electricity and Magnetism

Select 3-4 credits of the following:
- MATH 230 Calculus and Vector Analysis
- MATH 250 Ordinary Differential Equations
- MATH 411 Ordinary Differential Equations
- STAT 200 Elementary Statistics

Select 4 credits of the following:
- CMPEN 271 Introduction to Digital Systems & CMPEN 275 Digital Design Laboratory
- CMPET 117 Digital Electronics & CMPET 120 Digital Electronics Laboratory

Select 3 credits of the following:
- CMPET 401 Data Communication and Networking
- CMPET 402 Data Communication and Networking Laboratory
- CMPET 403 Switching Circuit Design
- CMPET 412 Microcomputers

2nd Programming Elective
Select 3 credits of the following:
- CMPSC 122 Intermediate Programming
- CMPSC 402

Applications Elective
Select 4 credits of technical electives of the following:
- CMPET 402 Data Communication and Networking
- CMPET 403 Switching Circuit Design
- CMPET 412 Microcomputers
- EET 456 Automation and Robotics

General Electrical Engineering Technology Option (26 credits)
Available at the following campuses: Harrisburg, Wilkes-Barre

Select 8 credits of technical electives of the following:
- EE 341 Semiconductor Device Principles
- EE 441 Semiconductor Integrated Circuit Technology
- EE 453 Fundamentals of Digital Signal Processing
- EET 402 High-Frequency Circuit Design
- EET 408 Communication System Design
- EET 413 Optoelectronics
- EET 414 Biomedical Instrumentation
- EET 431 Advanced Electronic Design
- EET 433 Control System Analysis and Design
- EET 478 Digital Communication Systems
- ET 496 Independent Studies

Requirements for the Option
Select an option 26

1 Courses required by PSU 2 EET programs.
2 EET 114 does not require a grade of C or better.
