#### University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

GWS, GQ, GHW, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GHW, GN, GA, GH, GS, and Integrative Studies). Foundations courses (GWS and GQ) require a grade of 'C' or better.

Integrative Studies courses are required for the General Education program. N is the suffix at the end of a course number used to designate an Inter-Domain course and Z is the suffix at the end of a course number used to designate a Linked course.

All incoming Schreyer Honors College first-year students at University Park will take ENGL 137H/CAS 137H in the fall semester and ENGL 138T/CAS 138T in the spring semester. These courses carry the GWS designation and replace both ENGL 30H and CAS 100. Each course is 3 credits.

#### Advising Notes

Within the 30 credits of required General Education Domain courses, students must take 6 credits of Integrative Studies courses (<https://bulletins.psu.edu/undergraduate/general-education/integrative-studies/>) (Inter-domain or Linked courses). If you need additional clarification, consult with your academic adviser.

#### Additional Notes

NOTE: The ATHTR Academic Requirement takes precedence over the Suggested Academic Plan for graduation requirements.

NOTE: Students are admitted to the ATHTR major on a competitive, space-available basis. A minimum 3.0 GPA in the prescribed ATHTR courses (ATHTR 135, 202, 231 and 233) is required, in addition to other requirements. Admission to the major is not guaranteed despite successful completion of the prerequisites.

ADVISING NOTES: LIMITATION ON THE NUMBER OF TRANSFER COURSES USED FOR KINES 300-LEVEL CORE: Of the KINES 300-level core courses (KINES 321, 341, 345, 350, 360 and 384), a maximum of two courses (6 credits) may be transferred to Penn State and used towards graduation for the Kinesiology or Athletic Training Majors.

LIMITATIONS ON SOURCE AND TIME FOR CREDIT ACQUISITION: In accordance with Policy 83-80.5, the Department of Kinesiology requires

at least 24 credits of prescribed coursework in the major to be completed at the location or in the college or program where the degree is earned. World Campus courses may not be counted toward this 24 credit minimum. The 24 credits include the capstone course in the major: KINES 495B for the Movement Science Option; ATHTR 495C for the Athletic Training Major; and KINES 495C for the Exercise Science Option.

<sup>1</sup> ATHTR 231 and ATHTR 233 are only offered in fall semesters, at University Park, and requires that students complete an application to the pre-professional phase. The link to the pre-professional phase application can be found at: <https://hhd.psu.edu/kines/undergraduate/major-athletic-training/program-overview> (<https://hhd.psu.edu/kines/undergraduate/major-athletic-training/program-overview/>).
