<sup>2</sup> ASHA (<https://www.asha.org/certification/course-content-areas-for-slp-standards/>) requirements for admission to graduate school in SLP or Audiology require a biological science course and a physical science (physics or chemistry) course, so GN courses should be selected with this in mind. For course suggestions, please visit: <https://hhd.psu.edu/csd/undergraduate/courses> (<https://hhd.psu.edu/csd/undergraduate/courses/>).

#### University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

GWS, GQ, GHW, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GHW, GN, GA, GH, GS, and Integrative Studies). Foundations courses (GWS and GQ) require a grade of 'C' or better.

Integrative Studies courses are required for the General Education program. N is the suffix at the end of a course number used to designate an Inter-Domain course and Z is the suffix at the end of a course number used to designate a Linked course.

All incoming Schreyer Honors College first-year students at University Park will take ENGL 137H/CAS 137H in the fall semester and ENGL 138T/CAS 138T in the spring semester. These courses carry the GWS designation and replace both ENGL 30H and CAS 100. Each course is 3 credits.

**Advising Notes:**

ASHA requires 25 documented shadowing hours with an ASHA-certified speech pathologist or audiologist. Hours must be documented on the Observation Log found at: <http://csd.hhd.psu.edu/student-advising-resources> (<http://csd.hhd.psu.edu/student-advising-resources/>).

The Graduate Record Examination (GRE) (<http://www.ets.org/gre/>) is required for admission to most graduate programs in speech-language pathology and audiology. Students are strongly encouraged to take the GRE during the summer between their sophomore and junior year.

For CSD majors the Writing Across the Curriculum requirement is completed once the student has passed CSD 459W.

CSD 100 and CSD 269 are currently the only CSD courses available online (through World Campus), offered every summer, fall and spring semester.
