

# **NUTRITIONAL SCIENCES, B.S.**

---

**Begin Campus:** Any Penn State Campus

**End Campus:** University Park

## **Entrance to Major**

### **Behavioral Nutrition and Public Health Option**

In order to be eligible for entrance to this option in the major, a student must:

1. attain at least a C (2.00) cumulative grade-point average for all courses taken at the University; and
2. have third-semester classification (<http://www.registrar.psu.edu/enrollment/semester-classification.cfm>).

### **Nutrition and Dietetics Option**

In order to be eligible for entrance to this option in the major, a student must:

1. attain a C or better in NUTR 251, BIOL 161, BIOL 162, BIOL 163, BIOL 164, and CHEM 110 or CHEM 130.

### **Retention within the Nutrition and Dietetics Option**

Retention will be determined through verification of sustained academic growth as demonstrated by earning of grades of C or higher in all of the Nutritional Sciences prescribed and related courses. Failure to do so will result in referral of the student to the student's academic adviser so that they may work together to develop a clear written strategy and a time frame for the student to return to good standing. Should the student not address the issue, the faculty may advise the student into a different Nutritional Sciences option. To graduate, a student enrolled in the nutrition and dietetics option must earn a grade of C or better in all prescribed and major requirement courses, as specified by Senate Policy 82-44.

### **Nutritional Physiology and Biochemistry Option**

In order to be eligible for entrance to this option in the major, a student must:

1. attain at least a C (2.00) cumulative grade-point average for all courses taken at the University; and
2. have third-semester classification (<http://www.registrar.psu.edu/enrollment/semester-classification.cfm>).
