

# COMMUNICATION ARTS AND SCIENCES, B.S.

---

**Begin Campus:** Any Penn State Campus

**End Campus:** University Park

## Career Paths

CAS graduates are change makers: analysts, strategists, persuaders, facilitators, collaborators, connectors, and scholars. The CAS program equips students for success in the work force, graduate school, and civic life. CAS courses provide students the theories, methods, practical tools, and experiences to understand the roots of social conflict and the sources of well-being. CAS majors can make a positive difference in our society.

## Careers

A Bachelor of Science degree in CAS prepares students for success in careers that value a scientific perspective on communication practices and the ability to analyze data accordingly. Such careers include business, behavioral science, health and human services, human development, law, public relations, public policy, sales, digital technology, and more. CAS graduates may work as analysts, strategists, facilitators, collaborators, or negotiators.
