CRIMINOLOGY, B.S.

Begin Campus: Any Penn State Campus

End Campus: University Park

Program Description

Not all options are available at every campus. Contact the campus you are interested in attending to determine which options are offered.

This major provides the opportunity to develop a stronger foundation in research methods, quantification, and the sciences. It prepares students with relevant aptitudes for pursuing further studies or finding employment where such knowledge is advantageous. Students contemplating futures in social science research, business, forensics, public service, and paralegal positions should consider this degree or some of its recommended courses.

Either the B.A. or B.S. degree is suitable for students seeking entry level positions in the criminal justice system and for students interested in graduate and law school. Students interested in acquiring strong quantitative skills should consider the B.S. degree.

What is Criminology?

Criminology is a broad and interdisciplinary field of study that promotes an understanding of crime and the criminal justice system and how they relate to human behavior, social environments, and government policy. Examples of topics studied in Criminology are: the causes and consequences of deviant and/or criminal behavior; the structure and functions of the criminal justice system; societal and individual reactions to crimes and criminal justice processing; the spatial and geographical elements associated with crime and poverty; and the dynamics of criminal justice policy making.

You Might Like This Program If...

- You are interested in studying human behavior through an interdisciplinary lens.
- You are fascinated with deviance and/or criminal behavior.
- You would like to study the functioning of the criminal justice system.
- You’re passionate about issues of social justice.
- You would like to go to law school or graduate school.
- You want to pursue a career in policing, corrections or governmental.

Entrance to Major

In order to be eligible for entrance to this major, a student must:

1. attain at least a C (2.00) cumulative grade-point average for all courses taken at the University; and
2. have third-semester classification (http://www.registrar.psu.edu/enrollment/semester-classification.cfm).

READ SENATE POLICY 37-30: ENTRANCE TO AND CHANGES IN MAJOR PROGRAMS OF STUDY (http://senate.psu.edu/policies-and-rules-for-undergraduate-students/37-00-entrance-to-a-college-or-major/)

Degree Requirements

For the Bachelor of Science degree in Criminology, a minimum of 121 credits is required:

<table>
<thead>
<tr>
<th>Requirement</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>General Education</td>
<td>45</td>
</tr>
<tr>
<td>Electives</td>
<td>17-19</td>
</tr>
<tr>
<td>Requirements for the Major</td>
<td>61-63</td>
</tr>
</tbody>
</table>

4 of these 45 credits are included in the Requirements for the Major. This includes 4 credits of General Education GQ courses.

Per Senate Policy 83-80.5, the college dean or campus chancellor and program faculty may require up to 24 credits of coursework in the major to be taken at the location or in the college or program where the degree is earned. For more information, check the Recommended Academic Plan for your intended program.

General Education

Connecting career and curiosity, the General Education curriculum provides the opportunity for students to acquire transferable skills necessary to be successful in the future and to thrive while living in interconnected contexts. General Education aids students in developing intellectual curiosity, a strengthened ability to think, and a deeper sense of aesthetic appreciation. These are requirements for all baccalaureate students and are often partially incorporated into the requirements of a program. For additional information, see the General Education Requirements (http://bulletins.psu.edu/undergraduate/general-education/baccalaureate-degree-general-education-program/) section of the Bulletin and consult your academic adviser.

The keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program.

Foundations (grade of C or better is required.)

- Quantification (GQ): 6 credits
- Writing and Speaking (GWS): 9 credits

Knowledge Domains

- Arts (GA): 6 credits
- Health and Wellness (GHW): 3 credits
- Humanities (GH): 6 credits
- Social and Behavioral Sciences (GS): 6 credits
- Natural Sciences (GN): 9 credits

Integrative Studies (may also complete a Knowledge Domain requirement)

- Inter-Domain or Approved Linked Courses: 6 credits

University Degree Requirements

First Year Engagement

All students enrolled in a college or the Division of Undergraduate Studies at University Park, and the World Campus are required to take 1 to 3 credits of the First-Year Seminar, as specified by their college First-Year Engagement Plan.

Other Penn State colleges and campuses may require the First-Year Seminar; colleges and campuses that do not require a First-Year Seminar provide students with a first-year engagement experience.

First-year baccalaureate students entering Penn State should consult their academic adviser for these requirements.

Cultures Requirement

6 credits are required and may satisfy other requirements.
Writing Across the Curriculum
3 credits required from the college of graduation and likely prescribed as part of major requirements.

Total Minimum Credits
A minimum of 120 degree credits must be earned for a baccalaureate degree. The requirements for some programs may exceed 120 credits. Students should consult with their college or department adviser for information on specific credit requirements.

Quality of Work
Candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

Limitations on Source and Time for Credit Acquisition
The college dean or campus chancellor and program faculty may require up to 24 credits of course work in the major to be taken at the location or in the college or program where the degree is earned. Credit used toward degree programs may need to be earned from a particular source or within time constraints (see Senate Policy 83-80 (http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#83-80)). For more information, check the Suggested Academic Plan for your intended program.

Requirements for the Major
A grade of C or better is required for all courses in the major. To graduate, a student enrolled in the major must earn at least a C grade in each course designated by the major as a C-required course, as specified by Senate Policy 82-44 (http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#82-44). A grade of C or better is required for all courses in the major. To graduate, candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

Additional Courses
### Additional Courses: Require a grade of C or better

Select 15 credits with at least 3 credits each from groups A, B, C, and D.

**Group A**
- ECON 302 Intermediate Microeconomic Analysis
- BA 301 Finance

**Group B**
- BA 303 Marketing
- BA 304 Management and Organization
- PSYCH 281 Introduction to Industrial-Organizational Psychology
- PSYCH 482 Selection and Assessment in Organizations
- PSYCH 484 Work Attitudes and Motivation
- PSYCH 485 Leadership in Work Settings

**Group C**
- BLAW 243 Legal Environment of Business
- LER 401 The Law of Labor-Management Relations
- LER 434 Advanced Collective Bargaining and Contract Administration
- LER 435 Labor Relations in the Public Sector
- LER 437 Workplace Dispute Resolution
- SOC 455 Work and Occupations

**Group D**
- CAS 404 Conflict Resolution and Negotiation
- CAS 450W Group Communication Theory and Research
- CAS 452 Organizational Communication Theory and Research
- CAS 471 Intercultural Communication Theory and Research
- CAS 483 Communication and Information Technology II
- ENGL 418 Advanced Technical Writing and Editing
- ENGL 419 Advanced Business Writing
- ENGL 421 Advanced Expository Writing
- GER 408 Advanced German Business Communications
- HIST 458Y History of Work in America
- LER 400-level course(s)
- PLSC 412 International Political Economy
- PLSC 417
- PLSC 419 The Bureaucratic State
- PLSC 444 Government and the Economy
- PLSC 490 Policy Making and Evaluation
- PSYCH 482 Selection and Assessment in Organizations
- PSYCH 484 Work Attitudes and Motivation
- PSYCH 485 Leadership in Work Settings
- SOC 455 Work and Occupations
- SOC 456 Gender, Occupations, and Professions
- SPAN 412 Translation

### Additional Courses: Require a grade of C or better

Select 16 credits of the following:

- CAS 483 Communication and Information Technology II
- CMPSC 203 Introduction to Spreadsheets and Databases
- MATH 110 Techniques of Calculus I
- MATH 111 and Techniques of Calculus II
- MATH 141 Calculus with Analytic Geometry I
- MATH 141 and Calculus with Analytic Geometry II
- MIS 204 Introduction to Management Information Systems
- STAT 460 Intermediate Applied Statistics
- STAT 462 Applied Regression Analysis
- STAT 464 Applied Nonparametric Statistics

### Prescribed Courses: Require a grade of C or better

Select one of the following:

- CAS 213 Persuasive Speaking
- CAS 215 Argumentation
- CAS 250 Small Group Communication
- CAS 321 Rhetoric and Law

Select 12 credits of the following:

- BLAW 243 Legal Environment of Business
- COMM 403 Law of Mass Communications
- CRIM 432 Crime and the American Court System
- CRIM 437 Law and Society
- CRIM 469 Seminar in the Law
- LST 370 Research Methods for Law and Government Information Resources
- PHIL 105 Philosophy of Law
- PHIL 108 Social and Political Philosophy
- PHIL 408W Social and Political Philosophy
- PLSC 403 The Legislative Process
- PLSC 431 Ancient, Medieval, and Renaissance Political Theories
- PLSC 432 Modern and Medieval, and Renaissance Political Theories
- PLSC 471 American Constitutional Law
- PLSC 472 The American Legal Process
- SOC 405 Sociological Theory

Select one of the following:

- HIST 449 Constitutional History of the United States to 1877
- HIST 450 Constitutional History of the United States Since 1877
- PLSC 474 Civil Liberties and Due Process
Qualifying students can apply formally during the semester in which they complete 60 credits, typically the spring semester of their sophomore year. Students are required to complete an elective specialization in criminal justice policy. At least two of these courses will be at the 500 level. Students who wish to graduate in 5 years will also complete some graduate level MPP requirements in the first four years, but be at the 500 level. Students who wish to graduate in 5 years will also complete some graduate level MPP requirements in the first four years, but be at the 500 level. Students who wish to graduate in 5 years will also complete some graduate level MPP requirements in the first four years, but be at the 500 level. Students who wish to graduate in 5 years will also complete some graduate level MPP requirements in the first four years, but be at the 500 level.

Students admitted to the program are advised by co-advisors, one from each participating unit. Each student will have a primary advisor in public policy who will work with the student and the co-advisor in criminology to ensure successful completion of the degree. The co-advisors will help the student prepare the initial plan of study, and assist in making changes and approving the student’s plan of study each semester during the advising period.

Advising
Students admitted to the program are advised by co-advisors, one from each participating unit. Each student will have a primary advisor in public policy who will work with the student and the co-advisor in criminology to ensure successful completion of the degree. The co-advisors will help the student prepare the initial plan of study, and assist in making changes and approving the student’s plan of study each semester during the advising period.

Sequence of Courses
During the first three years of study students will follow the basic course sequence provided for by the existing BS plan in criminology. In the fourth year of study they will take four courses that will count both toward the BS in criminology and the masters in public policy four course specialization in criminal justice policy. At least two of these courses will be at the 500 level. Students who wish to graduate in 5 years will also take additional MPP courses in their fourth year beyond this two, but these credits will count only toward the MPP degree.

Plan of Study
Prior to admission to the program, and in consultation with their criminology and public policy advisors, students must prepare a detailed plan of study for years 4 and 5 of the program. The plan is periodically reviewed by the student and advisors, and revised as necessary. Most students will complete all requirements for the BS in criminology and complete some graduate level MPP requirements in the first four years, and take only MPP courses in year 5.

Degree Requirements
Students must fulfill all requirements for each degree in order to be awarded that degree, subject to the double-counting of credits as outlined below. Degree requirements for the B.S. in Criminology are listed in the Undergraduate Bulletin. Degree requirements for the M.P.P. degree
Program Learning Objectives

1. Recognize the causes and consequences of crime at the micro and macro levels and match these with prominent criminological perspectives.
2. Describe the interrelated institutions and processes of the criminal justice system.
3. Apply theories of crime and criminal justice to explain actual and hypothetical scenarios, behaviors, and trends.
4. Explain the various social science methods of inquiry and use these to test specific criminological research questions.
5. Recognize and explain macro-social inequities in crime and criminal justice processes by race, social class, gender, region and age.
6. Locate and consult works in the area to produce a research paper that is coherent, cogent, and attentive to conventions of the field.

Academic Advising

The objectives of the university's academic advising program are to help advisees identify and achieve their academic goals, to promote their intellectual discovery, and to encourage students to take advantage of both in-and out-of class educational opportunities in order that they become self-directed learners and decision makers.

Both advisers and advisees share responsibility for making the advising relationship succeed. By encouraging their advisees to become engaged in their education, to meet their educational goals, and to develop the habit of learning, advisers assume a significant educational role. The advisee's unit of enrollment will provide each advisee with a primary advisor who will assume a significant educational role. The objectives of the university's academic advising program are to help advisees identify and achieve their academic goals, to promote their intellectual discovery, and to encourage students to take advantage of both in-and out-of class educational opportunities in order that they become self-directed learners and decision makers.

Academic Advising

The objectives of the university's academic advising program are to help advisees identify and achieve their academic goals, to promote their intellectual discovery, and to encourage students to take advantage of both in-and out-of class educational opportunities in order that they become self-directed learners and decision makers.

Both advisers and advisees share responsibility for making the advising relationship succeed. By encouraging their advisees to become engaged in their education, to meet their educational goals, and to develop the habit of learning, advisers assume a significant educational role. The advisee's unit of enrollment will provide each advisee with a primary academic advisor, the information needed to plan the chosen program of study, and referrals to other specialized resources.

Suggested Academic Plan

The suggested academic plan(s) listed on this page are the plan(s) that are in effect during the 2020-21 academic year. To access previous years' suggested academic plans, please visit the archive (http://bulletins.psu.edu/undergraduate/archive/) to view the appropriate Undergraduate Bulletin edition (Note: the archive only contain suggested academic plans beginning with the 2018-19 edition of the Undergraduate Bulletin).
Advising Notes:

- Course requires a grade of C or better for the major
- Course requires a grade of C or better for General Education
- Course is an Entrance to Major requirement
- Course satisfies General Education and degree requirement

University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

GWS, GQ, GH, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GH, GN, GA, GH, GS, and Integrative Studies). Foundations courses (GWS and GQ) require a grade of ‘C’ or better.

Integrative Studies courses are required for the General Education program. N is the suffix at the end of a course number used to designate an Inter-Domain course and Z is the suffix at the end of a course number used to designate a Linked course.

All incoming Schreyer Honors College first-year students at University Park will take ENGL/CAS 137 in the fall semester and ENGL/CAS 138 in the spring semester. These courses carry the GWS designation and replace both ENGL 30 and CAS 100. Each course is 3 credits.

Advising Notes:

- All incoming first-year students must take a First-Year Seminar (FYS) during Fall or Spring of their first year. Academic advisers can provide a list of FYS being offered and help the student enroll. Most FYS in the College of the Liberal Arts are worth 3 credits and count as a General Humanities (GH) or General Social Sciences (GS) course. For this reason, the FYS is not listed separately on this eight-semester plan; most students will be able to fulfill the FYS requirement while also fulfilling a GH or GS requirement.
- The following sequence MUST be followed: CRIM 12 # CRIM 249 # CRIM 250W. It is suggested that CRIM 12 and CRIM 249 be taken as early as possible. CRIM 100 and CRIM 249 can be taken in the same semester. CRIM 250W will only be used as elective credits.
- While CRIM 294, CRIM 296, and CRIM 494 provide students with terrific opportunities and learning experiences, these credits may NOT be counted in fulfillment of the Criminology major requirement. They may, however, be used as elective credits to count toward the credit requirement for graduation.
- Internship credits will be counted towards elective credits, unless approved by the internship coordinator to meet a general 3 credit 400 level CRIM course requirement.
- 3 credits of the Netherlands Education Abroad experience (CRIMJ 499) can be used to meet a general 400 level course requirement. A total of 15 education abroad credits (max) may be applied toward the major; courses must be approved by the department for application toward the major. CRIM 12, CRIM 100, CRIM 249, and CRIM 250W cannot be taken abroad.

Commonwealth Campuses

Total Credits 121
Criminology, B.S.

* Course requires a grade of C or better for the major
† Course requires a grade of C or better for General Education
# Course is an Entrance to Major requirement
‡ Course satisfies General Education and degree requirement

University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

GWS, GQ, GHW, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GHW, GN, GA, GH, GS, and Integrative Studies). Foundations courses (GWS and GQ) require a grade of ‘C’ or better.

Integrative Studies courses are required for the General Education program. N is the suffix at the end of a course number used to designate an Inter-Domain course and Z is the suffix at the end of a course number used to designate a Linked course.

All incoming Schreyer Honors College first-year students at University Park will take ENGL/CAS 137 in the fall semester and ENGL/CAS 138 in the spring semester. These courses carry the GWS designation and replace both ENGL 30 and CAS 100. Each course is 3 credits.

Career Paths

There are opportunities for careers in criminology for everyone. Whether you like field work, working in a laboratory or working behind the scenes in research or administration, the chances are you’ll find a rewarding career.

Careers

Majoring in Criminology will prepare you for a wide array of criminal justice careers, such as law enforcement, corrections and rehabilitation, research analysis, governmental and non-governmental organizations.
