FRENCH AND FRANCOPHONE STUDIES, B.S.

Begin Campus: Any Penn State Campus
End Campus: University Park

Program Description
The B.S. degree is designed to allow students to combine fluency in French with other academic disciplines. The Business option develops basic skills in French (speaking, understanding, reading, writing) and acquaints students with a number of fields essential to business, especially in the international area. The Engineering option has a required overseas study or work component. The Applied French option develops basic skills in French (speaking, understanding, reading, writing) as well as a basic knowledge of French literature and culture. At the same time, it provides a concentration in a professional area in which a command of French can be particularly relevant or useful. Courses in French culture and civilization are essential to all B.S. options, and students are encouraged to participate in the University’s International Studies programs in France.

What is French and Francophone Studies?
The B.S. degree in French and Francophone Studies is designed to develop proficiency in the French language and deepen knowledge of French cultural artifacts and frames, allowing students to combine both sets of skills with other academic disciplines. Students receive instruction in small, interactive classrooms that foster communication and exchange. Majors are encouraged to participate in language immersive events such as embedded courses, faculty led courses, and study abroad. The Business option acquaints students with concepts essential to business. The Engineering option is intended for engineering students who envision using French in their primary career. The Applied French option permits students to combine their French degree with another major or concentration in a professional area in which a command of French can be particularly relevant or useful. All options have a focus on developing proficiency and literacy in French with an eye toward using French in a professional context.

You Might Like This Program If...
• You are interested in combining your love of French with another discipline.
• You are planning a career in which French proficiency would give you a professional boost.
• You are eager to connect with French-speaking communities in your home community and abroad.
• You seek to cultivate a professional profile that will give you an edge on the job market.
• You aspire to explore the various people, places and things that make up the French-speaking world.

Entrance to Major
In order to be eligible for entrance to this major, a student must:
1. attain at least a C (2.00) cumulative grade-point average for all courses taken at the University; and
2. have third-semester classification (http://www.registrar.psu.edu/registration/semester_classification.cfm).

READ SENATE POLICY 37-30: ENTRANCE TO AND CHANGES IN MAJOR PROGRAMS OF STUDY (http://senate.psu.edu/policies-and-rules-for-undergraduate-students/37-00-entrance-to-a-college-or-major)

Degree Requirements
For the Bachelor of Science degree in French and Francophone Studies (all options) a minimum of 120 credits is required:

<table>
<thead>
<tr>
<th>Requirement</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>General Education</td>
<td>45</td>
</tr>
<tr>
<td>Electives</td>
<td>20-24</td>
</tr>
<tr>
<td>Requirements for the Major</td>
<td>51-68</td>
</tr>
</tbody>
</table>

13 of the 45 credits for General Education are included in the Requirements for the Major. For the French-Business Option, 4 credits of GQ courses; 6 credits of GS courses; 3 credits of GWS courses.

Per Senate Policy 83-80.5, the college dean or campus chancellor and program faculty may require up to 24 credits of coursework in the major to be taken at the location or in the college or program where the degree is earned. For more information, check the Recommended Academic Plan for your intended program.

General Education
Connecting career and curiosity, the General Education curriculum provides the opportunity for students to acquire transferable skills necessary to be successful in the future and to thrive while living in interconnected contexts. General Education aids students in developing intellectual curiosity, a strengthened ability to think, and a deeper sense of aesthetic appreciation. These are requirements for all baccalaureate students and are often partially incorporated into the requirements of a program. For additional information, see the General Education Requirements (http://bulletins.psu.edu/undergraduate/general-education/baccalaureate-degree-general-education-program) section of the Bulletin and consult your academic adviser.

The keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program.

Foundations (grade of C or better is required.)
• Quantification (GQ): 6 credits
• Writing and Speaking (GWS): 9 credits

Knowledge Domains
• Arts (GA): 6 credits
• Health and Wellness (GHW): 3 credits
• Humanities (GH): 6 credits
• Social and Behavioral Sciences (GS): 6 credits
• Natural Sciences (GN): 9 credits

Integrative Studies (may also complete a Knowledge Domain requirement)
• Inter-Domain or Approved Linked Courses: 6 credits

University Degree Requirements
First Year Engagement
All students enrolled in a college or the Division of Undergraduate Studies at University Park, and the World Campus are required to take 1 to 3
Common Requirements for the Major (All Options)

by Senate Policy 82-44

course designated by the major as a C-required course, as specified
a student enrolled in the major must earn at least a C grade in each
A grade of C or better is required for all courses in the major. To graduate,

Academic Plan for your intended program.

Requirements for the Option

FR 351 French and Francophone Literature I
FR 352 French and Francophone Literature II

Requirements for the Option: Require a grade of C or better
Select an option

Requirements for the Option

FR 419 French Semantics
Select three of the following:
FR 331 French and Francophone Culture I
FR 332 French and Francophone Culture II
FR 351 French and Francophone Literature I
FR 352 French and Francophone Literature II

French-Business Option (44 credits)

Prescribed Courses

Prescribed Courses: Require a grade of C or better
ACCTG 211 Financial and Managerial Accounting for Decision Making
BA 301 Finance
BA 303 Marketing
BA 304 Management and Organization
ECON 102 Introductory Microeconomic Analysis and Policy
ECON 104 Introductory Macroeconomic Analysis and Policy
ENGL 202D Effective Writing: Business Writing
FR 409 Commercial and Technical Translation
FR 430 Contemporary France
IB 303 International Business Operations

Additional Courses

MKTG 220 Introduction to Selling Techniques
or IB 403 International Business and National Policies
SCM 200 Introduction to Statistics for Business
or STAT 200 Elementary Statistics

Select one of the following:
ECON 333 International Economics
MGMT 461 International Management
MKTG 445 Global Marketing

Supporting Courses and Related Areas

Supporting Courses and Related Areas: Require a grade of C or better
Select 3 credits in French at the 400 level

French-Engineering Option (30 credits)

Open only to students enrolled in an engineering major.

Additional Courses

FR 417 French Phonology
FR 419 French Semantics
Select one of the following:
FR 316 French Linguistics
FR 405 Advanced Oral Communication
FR 406 Advanced Grammar and Writing

MKTG 445 Global Marketing

Supporting Courses and Related Areas

Supporting Courses and Related Areas: Require a grade of C or better
Select 21 credits of engineering courses, including ENGR 295 and
ENGR 395, in consultation with the engineering adviser
Select 3 credits in French at the 400 level
Note: All French-Engineering majors are required to participate in a one-semester engineering internship in France, arranged by the College of Engineering, during which up to 9 credits in French and up to 12 credits in engineering may be earned. The work experience may take the form of a professional internship (ENGR 195I) or be part of a cooperative education sequence (ENGR 295I, ENGR 395I, or ENGR 495I).

Select from related areas such as:
- Hotel, Restaurant, and Institutional Management
- Linguistics
- Sociology
- Economics
- Science, Technology and Society
- Another professional area where competency in French is desirable

### Academic Advising

The objectives of the university's academic advising program are to help advisees identify and achieve their academic goals, to promote their intellectual discovery, and to encourage students to take advantage of both in- and out-of-class educational opportunities in order that they become self-directed learners and decision makers.

Both advisers and advisees share responsibility for making the advising relationship succeed. By encouraging their advisees to become engaged in their education, to meet their educational goals, and to develop the habit of learning, advisers assume a significant educational role. The advisee's unit of enrollment will provide each advisee with a primary academic adviser, the information needed to plan the chosen program of study, and referrals to other specialized resources.

### Suggested Academic Plan

The suggested academic plan(s) listed on this page are the plan(s) that are in effect during the 2019-20 academic year. To access previous years' suggested academic plans, please visit the archive (http://bulletins.psu.edu/undergraduate/archive) to view the appropriate Undergraduate Bulletin edition (Note: the archive only contain suggested academic plans beginning with the 2018-19 edition of the Undergraduate Bulletin).

**University Park Campus**

**Applied French**

The course series listed below provides only one of the many possible ways to move through this curriculum. The University may make changes in policies, procedures, educational offerings, and requirements at any time. This plan should be used in conjunction with your degree audit (accessible in LionPATH as either an Academic Requirements or What If report). Please consult with a Penn State academic adviser on a regular basis to develop and refine an academic plan that is appropriate for you.

* Course requires a grade of C or better for the major
‡ Course requires a grade of C or better for General Education
# Course is an Entrance to Major requirement
† Course satisfies General Education and degree requirement

### University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

GWS, GQ, GHW, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GHW, GN, GA, GH, GS, and Integrative Studies). Foundations courses (GWS and GQ) require a grade of 'C' or better.

Integrative Studies courses are required for the General Education program. N is the suffix at the end of a course number used to designate an Inter-Domain course and Z is the suffix at the end of a course number used to designate a Linked course.

All incoming Schreyer Honors College first-year students at University Park will take ENGL/CAS 137 in the fall semester and ENGL/CAS 138 in the spring semester. These courses carry the GWS designation and replace both ENGL 30 and CAS 100. Each course is 3 credits.

**Advising Note:**

All incoming first-year students must take a First-Year Seminar (FYS) during Fall or Spring of their first year. Academic advisers can provide a list of FYS being offered and help the student enroll. Most FYS in the College of the Liberal Arts are worth 3 cr. and count as a General Humanities (GH) or General Social Sciences (GS) course. For this reason, the FYS is not listed separately on this eight-semester plan; most students will be able to fulfill the FYS requirement while also fulfilling a GH or GS requirement.

**Business**

The course series listed below provides only one of the many possible ways to move through this curriculum. The University may make changes in policies, procedures, educational offerings, and requirements at any time. This plan should be used in conjunction with your degree audit (accessible in LionPATH as either an Academic Requirements or What If report). Career Paths
With a B.S. degree in French, students have a variety of pathways open to
them. Our graduates have gone on to pursue a myriad of exciting careers
that have allowed them to use their proficiency in the French language,
understanding of French and Francophone cultural artifacts, grasp of
French and Francophone ways of seeing and making sense of the world,
and the skills of critical thinking acquired in our classrooms.

Careers
Our majors have taught in France as Fulbright Scholars or on French
government teaching assistantships; worked for the Peace Corps,
Homeland Security, the State department, world health organizations, and
the non-profit sector; pursued careers in the foreign service; worked in
the culinary arts and hotel and restaurant management; held positions in
business and management; and gone into film, journalism, advertising,
fashion, public relations, and information technology — among many
other professions.

Opportunities for Graduate Studies
Our B.S. graduates have gone on to pursue graduate studies domains
that represent many fields both in the humanities and in STEM fields.
Many have also opted to pursue Law school, Medical school, and
advanced degrees in International Politics, Public Health, International
Studies, Agriculture and Public Policy.
