SPANISH, B.A.

Begin Campus: Any Penn State Campus
End Campus: University Park

Program Description
This major is designed to develop basic skills in speaking, understanding, reading, and writing Spanish. In addition, the program aims to acquaint students with the literature and civilization of the Hispanic world and introduce them to the study of Hispanic linguistics. Enough flexibility is provided to permit a degree of concentration in either Hispanic literature or linguistics. Specialized courses are offered in translation techniques and in the use of Spanish for social services. Courses taken in the University’s Education Abroad Program in Spain and Mexico may be applied to the major. In conjunction with the College of Education, students may take work leading to certification as Spanish teachers in the secondary or elementary schools.

Combined with course work in business, social welfare, or bilingual education, the B.A. in Spanish can facilitate entry into a number of professional areas. In addition, it provides the traditional foundation for advanced degree work required for such careers as college teaching and government service. Students are eligible to participate in the University’s Education Abroad Programs.

What is Spanish?
Spanish is the native language of nearly 500 million people, making it the second-most widely spoken language in the world. It is an official language in 21 countries, each with a rich history and culture that are reflected in the grammar, vocabulary and pronunciation of this one language in its many dialectal variations. It is one of the six official languages of the United Nations, and is the second most spoken language in the world. You Might Like this Program If...
- You are passionate about serving others at home and abroad.
- You are fascinated by language, how it works, and how a language changes from one region to another.
- You understand that proficiency in Spanish opens a lot of doors.
- You want to share your passion for the Spanish language and culture with your students, in a career in education.
- You love to travel.
- You are a foodie, a film-buff, a word-gamer, or an adventurer.

Entrance to Major
In order to be eligible for entrance to this major, a student must:

1. attain at least a C (2.00) cumulative grade-point average for all courses taken at the University; and
2. have third-semester classification (http://www.registrar.psu.edu/registration/semester_classification.cfm).

3 of the 24 credits for Bachelor of Arts Degree Requirements are included in the Requirements for the Major, General Education, or Electives and 0-12 credits are included in Electives if foreign language proficiency is demonstrated by examination.

Per Senate Policy 83-80.5, the college dean or campus chancellor and program faculty may require up to 24 credits of course work in the major to be taken at the location or in the college or program where the degree is earned. For more information, check the Recommended Academic Plan for your intended program.

General Education
Connecting career and curiosity, the General Education curriculum provides the opportunity for students to acquire transferable skills necessary to be successful in the future and to thrive while living in interconnected contexts. General Education aids students in developing intellectual curiosity, a strengthened ability to think, and a deeper sense of aesthetic appreciation. These are requirements for all baccalaureate students and are often partially incorporated into the requirements of a program. For additional information, see the General Education Requirements (http://bulletins.psu.edu/undergraduate/general-education/baccalaureate-degree-general-education-program) section of the Bulletin and consult your academic adviser.

The keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program.

Foundations (grade of C or better is required.)
- Quantification (GQ): 6 credits
- Writing and Speaking (GWS): 9 credits

Knowledge Domains
- Arts (GA): 6 credits
- Health and Wellness (GHW): 3 credits
- Humanities (GH): 6 credits
- Social and Behavioral Sciences (GS): 6 credits
- Natural Sciences (GN): 9 credits

Integrative Studies (may also complete a Knowledge Domain requirement)
- Inter-Domain or Approved Linked Courses: 6 credits

University Degree Requirements
First Year Engagement
All students enrolled in a college or the Division of Undergraduate Studies at University Park, and the World Campus are required to take 1 to 3 credits of the First-Year Seminar, as specified by their college First-Year Engagement Plan.
Other Penn State colleges and campuses may require the First-Year Seminar; colleges and campuses that do not require a First-Year Seminar provide students with a first-year engagement experience.

First-year baccalaureate students entering Penn State should consult their academic adviser for these requirements.

Cultures Requirement
6 credits are required and may satisfy other requirements

- United States Cultures: 3 credits
- International Cultures: 3 credits

Writing Across the Curriculum
3 credits required from the college of graduation and likely prescribed as part of major requirements.

Total Minimum Credits
A minimum of 120 degree credits must be earned for a baccalaureate degree. The requirements for some programs may exceed 120 credits. Students should consult with their college or department adviser for information on specific credit requirements.

Quality of Work
Candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

Limitations on Source and Time for Credit Acquisition
The college dean or campus chancellor and program faculty may require up to 24 credits of course work in the major to be taken at the location or in the college or program where the degree is earned. Credit used toward degree programs may need to be earned from a particular source or within time constraints (see Senate Policy 83-80 (http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#83-80)). For more information, check the Suggested Academic Plan for your intended program.

B.A. Degree Requirements

Foreign Language (0-12 credits): Student must attain 12th credit level of proficiency in one foreign language. See the Placement Policy for Penn State Foreign Language Courses (http://bulletins.psu.edu/undergraduate/general-information/academic-information/advising-planning-degree-program/course-placements/placement-policy-world-language-courses).

B.A. Fields (9 credits): Humanities, Social and Behavioral Sciences, Arts, Foreign Languages, Natural Sciences, Quantification (may not be taken in the area of the student’s primary major; foreign language credits in this category must be in a second foreign language or beyond the 12th credit level of proficiency in the first language)

Other Cultures (0-3 credits): Select 3 credits from approved list. Students may count courses in this category in order to meet other major, minor, elective, or General Education requirements, except for the General Education US/IL requirement.

Requirements for the Major
A grade of C or better is required for all courses in the major. To graduate, a student enrolled in the major must earn at least a C grade in each course designated by the major as a C-required course, as specified by Senate Policy 82-44 (http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#82-44).

Program Learning Objectives

1. Students will have developed oral skills in Spanish that allow them to communicate efficiently in a range of settings from informal to professional.
2. Students will have developed literacy skills that allow them to read texts written for native speakers of Spanish. Majors should be able to understand and interpret a variety of media ranging from newspapers to literary texts to formal academic prose.
3. Students will have developed control of Spanish grammar and syntax as demonstrated in written work.
4. Students will have developed a broad cultural awareness of the Spanish-speaking world.
5. Students will be familiar with major authors and literary works from the Spanish-speaking world.
6. Students will have been strongly encouraged to spend at least one semester abroad immersed in the target language and its culture through a study abroad program.

Academic Advising

The objectives of the university’s academic advising program are to help advisees identify and achieve their academic goals, to promote their intellectual discovery, and to encourage students to take advantage of both in- and out-of-class educational opportunities in order that they become self-directed learners and decision makers.

Both advisers and advisees share responsibility for making the advising relationship succeed. By encouraging their advisees to become engaged in their education, to meet their educational goals, and to develop the habit of learning, advisers assume a significant educational role. The advisee’s unit of enrollment will provide each advisee with a primary academic adviser, the information needed to plan the chosen program of study, and referrals to other specialized resources.

Bachelor of Arts Requirements:

- Replace both ENGL 30 and CAS 100. Each course is 3 credits.

All incoming Schreyer Honors College first-year students at University Park will take ENGL/CAS 137 in the fall semester and ENGL/CAS 138 in the spring semester. These courses carry the GWS designation and require a grade of 'C' or better.

Integrative Studies courses are required for the General Education program. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GHW, GN, GA, GH, GS, and Integrative Studies). Foundations courses (GWS and GQ) require a grade of 'C' or better.

Integrative Studies courses are required for the General Education program. N is the suffix at the end of a course number used to designate an Inter-Domain course and Z is the suffix at the end of a course number used to designate a Linked course.

Bachelor of Arts students must take 3 credits in Other Cultures. See your adviser and the full list of courses approved as Other Cultures courses (http://bulletins.psu.edu/undergraduate/general-education/courses-lists/ba-other-cultures).

Advising Note:

All incoming freshmen must take a First-Year Seminar (FYS) during Fall or Spring of their first year. Academic advisers can provide a list of FYS being offered and help the student enroll. Most FYS in the College of the Liberal Arts are worth 3 cr. and count as a General Humanities (GH) or General Social Sciences (GS) course. For this reason, the FYS is not listed separately on this eight-semester plan; most students will be able to fulfill the FYS requirement while also fulfilling a GH or GS requirement.

Career Paths

A degree in Spanish will prepare you to make a significant impact in the service of the Spanish-speaking community in the United States, as Spanish is increasingly necessary in the professions, business, and government. It will also open opportunities to live and work abroad, whether in vibrant, modern cities or in the service of developing communities. With your enhanced communication skills and global awareness, you will be a strong candidate for almost any job. If teaching is your passion, your Spanish degree will lead to your success in the Spanish language classroom at home, and the English language classroom abroad.

Careers

Your degree in Spanish will be highly prized by employers in business, who value international competence; in government, who need both your Spanish proficiency and the cultural awareness acquired in learning a language; in medicine, where health care practitioners who speak Spanish are in great demand and short supply; in law and law enforcement, where too few are trained to address the needs and interests of Spanish speakers. Research in Spanish Linguistics promises insights into the nature of language learning and processing; Spanish literature and film scholars are dispelling myths and stereotypes toward a more informed view of Hispanic realities.

Opportunities for Graduate Studies

A Bachelor of Arts degree in Spanish will prepare students for a teaching career and is extremely valuable in many other career paths and choices. It can also lead to advanced degrees in Spanish literature or linguistics, general linguistics, second language acquisition, comparative literature, law, medicine, international business, international relations or politics, education, translation and interpretation, environmental and sustainability studies, and labor and employment relations.
