The course series listed below provides **only one** of the many possible ways to move through this curriculum. The University may make changes in policies, procedures, educational offerings, and requirements at any time. University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy Cultural Diversity Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

General Education includes Foundations (GWS and GQ), Knowledge Domains (GHW, GN, GA, GH, GS) and Integrative Studies (Inter-domain) requirements. N or Q (Honors) is the suffix at the end of a course number used to help identify an Inter-domain course, but the inter-domain attribute is used to fill audit requirements. Foundations courses (GWS and GQ) require a grade of 'C' or better.

All incoming Schreyer Honors College first-year students at University Park will take ENGL 137H/CAS 137H in the fall semester and ENGL 138T/CAS 138T in the spring semester. These courses carry the GWS designation and replace both ENGL 30H and CAS 100. Each course is 3 credits.

Advising Notes:

- This document is only for planning purposes. Most students are "off the plan" after one semester. At the campuses, students may sub WMNST 301 with any WMNST course if not available.
- Students need at least 24 credits in WMNST courses completed at UP due to competency requirements. Campus advisers may make work UP advisers if they have questions about their current students.
- Two general education courses (GQ, GN, GA, GH, GS) must be integrative studies courses - Inte-Domain or Linked.

- 12 credits of Major Supporting and Related Courses could fulfill general education requirements as well, which would mean a student needs more electives than what are listed here.
