REAL ESTATE, B.S.

Begin Campus: Any Penn State Campus
End Campus: University Park

Program Description
The Smeal College of Business Bachelor of Science degree in Real Estate (REST_BS) is targeted at individuals wishing to have a career in the real estate industry or related field. The major will provide students a solid foundation in the concepts associated with real estate finance, investment, and development analysis as well as quantitative research methods that are needed to solve complex problems in the real estate industry. The program will provide students with the required analytical tools necessary to analyze the real estate markets and solve problems or issues they may encounter in this growing industry. Students in the Real Estate major will also receive professional credit toward the required educational hours for the real estate appraisal designation offered through the Appraisal Qualifications Board (AQB) of the Appraisal Foundation. This organization is authorized by Congress as the Source of Appraisal Standards and Appraiser Qualifications.

What is Real Estate?
The Real Estate major features an innovative curriculum that allows students to tailor their coursework towards areas of greatest interest. Courses cover topics in real estate finance, law, investment valuation, appraisal processes, urban and regional economics, property development, and project management. In addition, students have the ability to select courses outside the Smeal College of Business in areas such as landscape architecture, hotel administration, construction management and engineering, and urban economics. The Real Estate major is also a STEM Designated Degree Program.

Entrance to Major
To be eligible for entrance into the Real Estate (REST) major, a degree candidate must be enrolled in the Smeal College of Business or the Division of Undergraduate Studies and satisfy requirements for entrance to the major.

Administrative Enrollment Controls
This program currently has administrative enrollment controls. Administrative Enrollment Controls are initiated when limitations of space, faculty, or other resources in a major prevent accommodating all students who request them. Students must follow the administrative enrollment controls that are in effect for the semester that they enter the university.

First-Year Students Entering Summer 2023, Fall 2023, Spring 2024
In order to be eligible for entrance to this major, students must satisfy the following requirements:

- completed ECON 102 or ECON 102H
- completed at Penn State (no substitutions or transfers), in addition with a quality grade of "C" or better and no alternative or Pass/Fail (PS) grading:
  - Accounting - ACCTG 211 or ACCTG 211H
  - Management - MGMT 301 or MGMT 301H or MGMT 301M or MGMT 301W
  - Marketing - MKTG 301 or MKTG 301H or MKTG 301W
  - Finance - FIN 301 or FIN 301H
- earned a minimum cumulative grade-point average (GPA) of 3.20

Students Who Entered Prior to Summer 2023
Students who entered the University from Summer 2018 through Spring 2023 should view the administrative enrollment controls in the appropriate Undergraduate Bulletin archive (https://bulletins.psu.edu/undergraduate/archive/). Students who entered the University prior to the summer 2018 semester should consult with their academic adviser about the administrative enrollment controls in effect for the semester they entered the university.

Degree Completion
Students accepted into the Real Estate (REST_BS) major are expected to enroll at University Park the fall semester after gaining entrance to the major or sooner. In addition, Senate Policy 83-80.5 stipulates that the college dean and program faculty may require up to 24 credits of course work in the major to be taken in the college where the degree is earned. Based on this policy and the College's accreditation standards, the Smeal College of Business program faculty have set the following credit earning limitations for REST_BS majors:

1. Eighteen credits of 300/400 level prescribed and additional courses in the major field must be completed with faculty in the Real Estate program.
2. Six additional credits of 300/400 level supporting courses must also be completed at University Park. See the Real Estate Suggested Academic Plan for details.

Degree Requirements
For the Bachelor of Science degree in Real Estate, a minimum of 120 credits is required:

of a program. For additional information, see the General Education Requirements (https://bulletins.psu.edu/undergraduate/general-education/baccalaureate-degree-general-education-program/) section of the Bulletin and consult your academic adviser.

The keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program.

**Foundations** (grade of C or better is required and Inter-Domain courses do not meet this requirement.)
- Quantification (GQ): 6 credits
- Writing and Speaking (GWS): 9 credits

**Breadth in the Knowledge Domains** (Inter-Domain courses do not meet this requirement.)
- Arts (GA): 3 credits
- Health and Wellness (GHW): 3 credits
- Humanities (GH): 3 credits
- Social and Behavioral Sciences (GS): 3 credits
- Natural Sciences (GN): 3 credits

**Integrative Studies**
- Inter-Domain Courses (Inter-Domain): 6 credits

**Exploration**
- GN, may be completed with Inter-Domain courses: 3 credits
- GA, GH, GN, GS, Inter-Domain courses. This may include 3 credits of World Language course work beyond the 12th credit level or the requirements for the student's degree program, whichever is higher: 6 credits

**University Degree Requirements**

**First Year Engagement**

All students enrolled in a college or the Division of Undergraduate Studies at University Park, and the World Campus are required to take 1 to 3 credits of the First-Year Seminar, as specified by their college First-Year Engagement Plan.

Other Penn State colleges and campuses may require the First-Year Seminar; colleges and campuses that do not require a First-Year Seminar provide students with a first-year engagement experience.

First-year baccalaureate students entering Penn State should consult their academic adviser for these requirements.

**Cultures Requirement**
6 credits are required and may satisfy other requirements
- United States Cultures: 3 credits
- International Cultures: 3 credits

**Writing Across the Curriculum**
3 credits required from the college of graduation and likely prescribed as part of major requirements.

**Total Minimum Credits**
A minimum of 120 degree credits must be earned for a baccalaureate degree. The requirements for some programs may exceed 120 credits. Students should consult with their college or department adviser for information on specific credit requirements.
Quality of Work
Candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

Limitations on Source and Time for Credit Acquisition
The college dean or campus chancellor and program faculty may require up to 24 credits of course work in the major to be taken at the location or in the college or program where the degree is earned. Credit used toward degree programs may need to be earned from a particular source or within time constraints (see Senate Policy 83-80 (https://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#83-80)). For more information, check the Suggested Academic Plan for your intended program.

Academic Advising
The objectives of the university’s academic advising program are to help advisees identify and achieve their academic goals, to promote their intellectual discovery, and to encourage students to take advantage of both in-and out-of class educational opportunities in order that they become self-directed learners and decision makers.

Both advisers and advisees share responsibility for making the advising relationship succeed. By encouraging their advisees to become engaged in their education, to meet their educational goals, and to develop the habit of learning, advisers assume a significant educational role. The advisee’s unit of enrollment will provide each advisee with a primary academic adviser, the information needed to plan the chosen program of study, and referrals to other specialized resources.

Real Estate, B.S. at University Park Campus
The course series listed below provides only one of the many possible ways to move through this curriculum. The University may make changes in policies, procedures, educational offerings, and requirements at any time. This plan should be used in conjunction with your degree audit (accessible in LionPATH as either an Academic Requirements or What If report). Please consult with a Penn State academic adviser on a regular basis to develop and refine an academic plan that is appropriate for you.
• 3 credits of United States Culture (US)
• 3 credits of International Culture (IL)
• 6 credits of Inter-Domain (N) and/or Linked (Z) coursework

5 See the Two-Piece Sequence List on the Real Estate website.
6 See the Risk Management Department website for the list of Real Estate electives.

University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy Cultural Diversity Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

General Education includes Foundations (GWS and GQ), Knowledge Domains (GHW, GN, GA, GH, GS) and Integrative Studies (Inter-domain) requirements. N or Q (Honors) is the suffix at the end of a course number used to help identify an Inter-domain course, but the inter-domain attribute is used to fill audit requirements. Foundations courses (GWS and GQ) require a grade of ‘C’ or better.

All incoming Schreyer Honors College first-year students at University Park will take ENGL 137H/CAS 137H in the fall semester and ENGL 138T/CAS 138T in the spring semester. These courses carry the GWS designation and satisfy a portion of that General Education requirement. If the student’s program prescribes GWS these courses will replace both ENGL 15/ENGL 30H and CAS 100A/CAS 100B/CAS 100C. Each course is 3 credits.

### Career Paths

With top-ranked faculty, the Real Estate major prepares students for success in an ever-changing environment. The program offers a wide range of professional opportunities in corporate real estate, investment and counseling, commercial real estate brokerage, appraisal, risk management, mortgage lending and banking, development, and government services. Career paths for our students include:

- Commercial brokerage
- Consulting
- Office Leasing
- Complex valuation and counseling
- Mortgage and construction lending
- Property Management

The Borrelli Institute for Real Estate Studies (IRES) and the Penn State Real Estate Advisory Board provide students access to leading firms and executives for mentoring and internship opportunities. The IRES sponsors an annual Real Estate Boot Camp program that provides students with outstanding extracurricular opportunities and networking events. In addition, the Penn State Real Estate Association provides leadership opportunities and networking ideas.

### Accreditation

The Smeal College of Business B.S. degree in Real Estate (REST_BS) is recognized by the AACSB (Association to Advance Collegiate Schools of Business) as an accredited program after completing a meticulous internal review and meeting all AACSB standards and requirements.
MORE INFORMATION ABOUT THE ASSOCIATION TO ADVANCE COLLEGIATE SCHOOLS OF BUSINESS (https://www.aacsb.edu)

Professional Licensure/Certification
The Appraisal Foundation's (TAF) Appraisal Qualification Board (AQB) which is authorized by Congress as the source for appraisal standards and real property appraisal qualifications reviewed the REST_BS program and determined that 86% of the educational qualifications for Certified General Appraisal are satisfied by the REST_BS degree. Over 90% of the educational requirements for Licensed Residential and Certified Residential are also met. For more information on specific qualifications by each state, contact the Real Estate Appraisers Board.
