Professional Licensure/Certification

The Appraisal Foundation's (TAF) Appraisal Qualification Board (AQB) which is authorized by Congress as the source for appraisal standards and real property appraisal qualifications reviewed the REST_BS program and determined that 86% of the educational qualifications for Certified General Appraisal are satisfied by the REST_BS degree. Over 90% of the educational requirements for Licensed Residential and Certified Residential are also met. For more information on specific qualifications by each state, contact the Real Estate Appraisers Board.
