RISK MANAGEMENT, B.S.

Begin Campus: Any Penn State Campus

End Campus: University Park

Program Description

The Risk Management major prepares students for careers in a wide range of private industries and public service agencies involving such areas as operations, property development, financial strategy, and government. The major is integrative in nature by crossing traditional business boundaries while offering specific areas of study in actuarial science, enterprise risk management, and real estate. High profile risks are faced by leaders and managers up and down the corporate ladder and require specialized skills, knowledge and preparation. The Risk Management major prepares students for this along with a chance to study risk from three different perspectives by offering specialty courses along with a common pool of risk management courses. This structure assures that the students in the risk management major are equipped with the common tools of risk analysis while at the same time permitting the students to tailor the specifics of their training through the selection of a particular option.

Actuarial Science Option

The courses in the Actuarial Science option stress the application of mathematical and statistical concepts to the measurement of life and other contingencies, while at the same time giving the student a broad understanding of the business environment. Students in the Actuarial Science option are encouraged to begin the series of professional examinations leading to Associateship and Fellowship in either the Society of Actuaries (A.S.A./F.S.A.) or the Casualty Actuarial Society (A.C.A.S./F.C.A.S.).

Enterprise Management Option

The Enterprise Risk Management Option prepares students to identify, quantify and qualify the regulatory, legal, financial and contractual aspects of enterprise risk; the management of such risks; and the application of risk financing techniques to control risk exposures in organizations. Emphasis is also placed on the understanding of the principles and risks underlying complex business contracts.

Real Estate Option

This option is designed to prepare the student for a wide range of professional opportunities in corporate real estate management, real estate brokerage, appraisal, property management, mortgage lending and banking, development, and governmental service.

What is Risk Management?

Organizations face a wide array of risks in today's rapidly changing and complex business environment. Operations can be disrupted by a variety of unanticipated factors, ranging from external forces like natural disasters and political risks to internal factors like faulty product design and flawed financial systems. CEOs make risky strategic decisions in an increasingly competitive marketplace where the cost of missteps is high. In recent years, firms have encountered new risks in the form of terrorism, global litigation, and the growing costs of human resources. Corporations and nonprofits have turned to enterprise risk management in an effort to protect themselves from the adverse consequences of all of the above risks.

MORE INFORMATION ABOUT RISK MANAGEMENT (https://undergrad.smeal.psu.edu/majors/risk-management)

Entrance to Major

This program currently has administrative enrollment controls. Administrative Enrollment Controls are initiated when limitations of space, faculty, or other resources in a major prevent accommodating all students who request them. Students must follow the administrative enrollment controls that are in effect for the semester that they enter the university.

First-Year Students Entering Summer 2018, Fall 2018, Spring 2019

In order to be eligible for entrance to this major, students must satisfy the following requirements:

- 44-59 cumulative credits (credits completed at Penn State for which a quality letter grade was earned)
- completed with a grade of C or better: ESL 15 or ENGL 15 or ENGL 30, ACCTG 211, FIN 301, MATH 110 or MATH 140 (Enterprise Risk Management and Real Estate options only), MATH 140 and MATH 141 (Actuarial Science option only) MGMT 301, MKTG 301, and SCM 200 or STAT 200
- completed ECON 102
- earned a minimum grade-point average (GPA) of 3.20 in the eight entrance-to-major courses listed above (nine courses for the Actuarial Science option).
- earned a minimum of 3.20 cumulative GPA

Students Who Entered Prior to Summer 2018

Students who entered the University prior to the summer 2018 semester should view the administrative enrollment controls for the semester that they entered the university (http://advising.psu.edu/entrance-major-requirements) on the Academic Advising Portal.

Degree Requirements

For the Bachelor of Science degree in Risk Management, a minimum of 120 credits is required with at least 15 credits at the 400 level:

<table>
<thead>
<tr>
<th>Requirement</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>General Education</td>
<td>45</td>
</tr>
<tr>
<td>Electives</td>
<td>11-14</td>
</tr>
<tr>
<td>Requirements for the Major</td>
<td>73-76</td>
</tr>
</tbody>
</table>

12 of the 45 credits for General Education are included in the Requirements for the Major. This includes: 3 credits of GWS courses; 6 credits of GQ courses; and 3 credits of GS.

General Education

Connecting career and curiosity, the General Education curriculum provides the opportunity for students to acquire transferable skills necessary to be successful in the future and to thrive while living in interconnected contexts. General Education aids students in developing intellectual curiosity, a strengthened ability to think, and a deeper sense of aesthetic appreciation. These are requirements for all baccalaureate students and are often partially incorporated into the requirements of a program. For additional information, see the General Education Requirements (http://bulletins.psu.edu/undergraduate/general-education/baccalaureate-degree-general-education-program) section of the Bulletin and consult your academic adviser.
The keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program.

Foundations (grade of C or better is required.)
- Quantification (GQ): 6 credits
- Writing and Speaking (GWS): 9 credits

Knowledge Domains
- Arts (GA): 6 credits
- Health and Wellness (GHW): 3 credits
- Humanities (GH): 6 credits
- Social and Behavioral Sciences (GS): 6 credits
- Natural Sciences (GN): 9 credits

Integrative Studies (may also complete a Knowledge Domain requirement)
- Inter-Domain or Approved Linked Courses: 6 credits

University Degree Requirements
First Year Engagement
All students enrolled in a college or the Division of Undergraduate Studies at University Park, and the World Campus are required to take 1 to 3 credits of the First-Year Seminar, as specified by their college First-Year Engagement Plan.

Other Penn State colleges and campuses may require the First-Year Seminar; colleges and campuses that do not require a First-Year Seminar provide students with a first-year engagement experience.

First-year baccalaureate students entering Penn State should consult their academic adviser for these requirements.

Cultures Requirement
6 credits are required and may satisfy other requirements
- United States Cultures: 3 credits
- International Cultures: 3 credits

Writing Across the Curriculum
3 credits required from the college of graduation and likely prescribed as part of major requirements.

Total Minimum Credits
A minimum of 120 degree credits must be earned for a baccalaureate degree. The requirements for some programs may exceed 120 credits. Students should consult with their college or department adviser for information on specific credit requirements.

Quality of Work
Candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

Limitations on Source and Time for Credit Acquisition
The college dean or campus chancellor and program faculty may require up to 24 credits of course work in the major to be taken at the location or in the college or program where the degree is earned. Credit used toward degree programs may need to be earned from a particular source or within time constraints (see Senate Policy 83-80 [http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#83-80]). For more information, check the Suggested Academic Plan for your intended program.

Requirements for the Major
To graduate, a student enrolled in the major must earn a grade of C or better in each course designated by the major as a C-required course, as specified by Senate Policy 82-44 [http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#82-44].

Both advisers and advisees share responsibility for making the advising relationship succeed. By encouraging their advisees to become engaged in their education, to meet their educational goals, and to develop the habit of learning, advisers assume a significant educational role. The advisee's unit of enrollment will provide each advisee with a primary academic adviser, the information needed to plan the chosen program of study, and referrals to other specialized resources.

Academic Advising

The objectives of the university's academic advising program are to help advisees identify and achieve their academic goals, to promote their intellectual discovery, and to encourage students to take advantage of both in-and out-of-class educational opportunities in order that they become self-directed learners and decision makers.

Total Credits 120

* Course requires a grade of C or better for the major
† Course satisfies General Education and degree requirement
# Course is an Entrance to Major requirement
‡ Course requires a grade of C or better for General Education

University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

GWS, GG, GHW, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GHW, GN, GA, GH, GS, and Integrative Studies). Foundations courses (GWS and GQ) require a grade of 'C' or better.

Integrative Studies courses are required for the General Education program. N is the suffix at the end of a course number used to designate an Inter-Domain course and Z is the suffix at the end of a course number used to designate a Linked course.

All incoming Schreyer Honors College first-year students at University Park will take ENGL/CAS 137 in the fall semester and ENGL/CAS 138 in the spring semester. These courses carry the GWS designation and replace both ENGL 30 and CAS 100. Each course is 3 credits.

ADDITIONAL NOTES:

In order to promote student academic success, the Smeal faculty has designated the successful completion of specific ‘entrance to major’ courses prior to the beginning of ‘major field’ course work. In order to ensure all students are equally prepared for success, the Smeal College of Business requires that the following ‘entrance to major’ courses must be completed at a Penn State campus: ACCTG 211, MGMT 301, MKTG 301, FIN 301.

Therefore, transfer courses or those designated as direct equivalent courses for the four courses listed above will not be credited toward Smeal entrance to major progress.

Please note that pursuant to AACSB accreditation standards, the Smeal College requires that all upper division courses within the departments sponsoring the major be completed in residence at University Park under the instruction of Smeal College faculty.

For example, students in the Enterprise Risk Management option of the Risk Management major must complete in residence with Smeal College faculty all 300 level and above Risk Management courses.

Petitions for hardship exceptions from this policy may be made to the Smeal College of Business Associate Dean for Undergraduate Education.

ADVISING NOTES:

- It is highly recommended that students at University Park take SCM 301 in their 4th semester.
- It is highly recommended that students at campuses that do not offer SCM 301 take ENGL 202D in their 4th semester.
- Students must complete 12th credit level in a foreign language. Credits vary based on skill level.

Risk management with the enterprise risk management option

DEGREE REQUIREMENTS (r m - erm):

Program Year 2019

Course Descriptions

The following bullets will assist students in navigating the Risk Management Enterprise Risk Management option:

- R M 320W is offered in the fall semester.
- R M 301 and R M 405 are offered in the spring semester.

1. Take all of the following Accounting courses (6 credits) - A grade of 'C or better' is required in all courses.
   a. RM 320W
   b. RM 301

2. ERM OPTION COURSES - Take the following courses (12 credits) - A grade of 'C or better' is required.
   a. BLAW 441
   b. FIN 406
   c. RM 405
   d. RM 440

3. Select one Two-Piece Sequence from the following list (6 credits)
   a. Accounting - Select two courses from the following: ACCTG 404, ACCTG 471, ACCTG 472
   b. Actuarial Science - R M 410 and R M 411
   c. Business Law - B LAW 424, B LAW 425, B LAW 441, B LAW 444, B LAW 445, B LAW 446, B LAW 497, B LAW 499
   d. Business Sustainability - BA 441 and BA 442
   e. Corporate Benefits - R M 401 and R M 430
   f. Economics - Select 3 credits of 300 level Economics and select 3 credits of 400 level Economics
   g. Entrepreneurship - MGMT 425 and MGMT 480
   h. Finance - Select two courses from the following: FIN 305, FIN 406, FIN 408
i. Information Systems Management - MIS 301 and MIS 446
j. International Business - Select two courses from the following: IB 303, IB 403, IB 404, IB 450, IB 460, IB 470, IB 497 Sustainability & International Business
k. Management - MGMT 326 and either MGMT 461 or MGMT 471
l. Marketing - Select either MKTG 330 or MKTG 327 and select either MGMT 461 or MGMT 471
m. Mathematics - MATH 141 and MATH/STAT 414
n. Real Estate - RM 303 and RM 450
o. Statistics - Select two courses from the following: STAT 461, STAT 432, STAT 463
p. Supply Chain and Information Systems - Select two courses from the following: SCM 404, SCM 405, SCM 406

Please Note: In lieu of completing a Two-Piece Sequence, students may complete one of the designated University minors listed below provided the minor has a minimum of six credits of 400-level course work that can be used in the two-piece category according to the course layout in the degree audit system.

### SMEAL COLLEGE MINORS
- Information Systems Management (ISM)
- International Business (IB)
- Legal Environment of Business (LEBUS)
- Supply Chain and Information Sciences & Technology (SCIST)

### LIBERAL ARTS MINOR OR CONCURRENT MAJOR
- Economics (ECON)

### COLLEGE OF IST MINOR OR CONCURRENT MAJOR
- Information Sciences and Technology (IST)

### EBERLY COLLEGE OF SCIENCE MINOR OR CONCURRENT MAJORS
- Mathematics (MATH)
- Statistics (STAT)

### WORLD LANGUAGE MINORS AND CONCURRENT MAJORS
- Arabic Language (ARAB)
- Chinese Language (CHNS)
- French and Francophone Studies (FR)

‡ Course requires a grade of C or better for General Education
# Course is an Entrance to Major requirement
† Course satisfies General Education and degree requirement

1. Course requires a C or better for major and General Education (2nd course ONLY; the first course of the two options does not require a C)
2. Course requires a C or better for major (2nd course ONLY; the first course of the two options does not require a C)
3. Course requires a C or better for Entrance to Major
Course requires a C or better for General Education (2nd course ONLY; the first course of the two options does not require a C)

University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures). W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

GWS, GQ, GHW, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GHW, GN, GA, GH, GS, and Integrative Studies). Foundations courses (GWS and GQ) require a grade of ‘C’ or better.

Integrative Studies courses are required for the General Education program. N is the suffix at the end of a course number used to designate an Inter-Domain course and Z is the suffix at the end of a course number used to designate a Linked course.

All incoming Schreyer Honors College first-year students at University Park will take ENGL/CAS 137 in the fall semester and ENGL/CAS 138 in the spring semester. These courses carry the GWS designation and replace both ENGL 30 and CAS 100. Each course is 3 credits.

Additional Notes:
In order to promote student academic success, the Smeal faculty has designated the successful completion of specific ‘entrance to major’ courses prior to the beginning of ‘major field’ course work. In order to ensure all students are equally prepared for success, the Smeal College of Business requires that the following ‘entrance to major’ courses must be completed at a Penn State campus: ACCTG 211, MGMT 301, MKTG 301 and FIN 301.

Therefore, transfer courses or those designated as direct equivalent courses for the four courses listed above will not be credited toward Smeal entrance to major progress.

Please note that pursuant to AACSB accreditation standards, the Smeal College requires that all upper division courses within the departments sponsoring the major be completed in residence at University Park under the instruction of Smeal College faculty.

For example, students in the Risk Management - Actuarial Science major must complete in residence with Smeal College faculty all 300 level and above Risk Management courses.

Petitions for hardship exceptions from this policy may be made to the Smeal College of Business Associate Dean for Undergraduate Education.

Advising Notes:
- It is highly recommended that students at University Park take SCM 301 in their 4th semester.
- It is highly recommended that students at campuses that do not offer SCM 301 take ENGL 202D in their 4th semester.
- Students must complete 12th credit level in a foreign language. Credits vary based on skill level.

Risk Management - Actuarial Science Notes:
- The following bullets will assist students in navigating the Risk Management Actuarial Science option:
  - RM 320W, RM 412, and RM 430 are offered in the fall semester
  - RM 301, RM 411, RM 401 and RM 420 are offered in the spring semester.
  - In addition to fulfilling all degree requirements, students pursuing professional certification as an actuary should plan their studies according to the following recommendations:
    - Take STAT (MATH) 414 and RM 214 concurrently to help you pass the Society of Actuaries Probability Exam as soon as possible.
    - Complete STAT 462 and STAT 463 with grades of B- or better to meet the SOA Validation by Educational Experience (VEE) requirement.

Risk Management - Actuarial Science Degree Requirements (ACTSC):
Program Year 2019

Course Descriptions

1. Take all of the following Risk Management - Actuarial Science courses (15 credits) - A grade of ‘C or better’ is required in all courses
   a. RM 320W
   b. RM 410
   c. RM 411
   d. RM 412
   e. RM 430

2. Additional Risk Management - Actuarial Science course (3 credits) - Select three credits from the following; a grade of ‘C or better’ is required in both courses
   a. RM 401
   b. RM 420

3. Additional Risk Management - Actuarial Science (3 credits) - Select three credits from the following; a grade of ‘C or better’ is required in both courses
   a. RM 415
   b. STAT 483

4. Related Area (5 credits) - Take the following MATH/STAT courses; a grade of ‘C or better’ is required in both courses
   a. MATH (STAT) 414
   b. MATH 231

Real Estate Option, University Park Campus and commonwealth campuses

The course series listed below provides only one of the many possible ways to move through this curriculum. The University may make changes in policies, procedures, educational offerings, and requirements at any time. This plan should be used in conjunction with your degree audit (accessible in LionPATH as either an Academic Requirements or What If report). Please consult with a Penn State academic adviser on a regular basis to develop and refine an academic plan that is appropriate for you.

Total Credits 120

* Course requires a grade of C or better for the major
‡ Course requires a grade of C or better for General Education
# Course is an Entrance to Major requirement
† Course satisfies General Education and degree requirement
† Course requires General Education and degree requirement
1 Course requires a C or better for major and General Education (2nd course ONLY; the first course of the two options does not require a C)
2 Course requires a C or better for major (2nd course ONLY; the first course of the two options does not require a C)
3 Course requires a C or better for Entrance to Major
4 Course requires a C or better for General Education (2nd course ONLY; the first course of the two options does not require a C)
5 Course requires a C or better for both courses (1st course for major, 2nd course for General Education)

University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

GWS, GQ, GHW, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GHW, GN, GA, GH, GS, and Integrative Studies). Foundations courses (GWS and GQ) require a grade of ‘C’ or better.

Integrative Studies courses are required for the General Education program. N is the suffix at the end of a course number used to designate an Inter-Domain course and Z is the suffix at the end of a course number used to designate a Linked course.

All incoming Schreyer Honors College first-year students at University Park will take ENGL/CAS 137 in the fall semester and ENGL/CAS 138 in the spring semester. These courses carry the GWS designation and replace both ENGL 30 and CAS 100. Each course is 3 credits.

Additional Notes:

In order to promote student academic success, the Smeal faculty has designated the successful completion of specific ‘entrance to major’ courses prior to the beginning of ‘major field’ course work. In order to ensure all students are equally prepared for success, the Smeal College of Business requires that the following ‘entrance to major’ courses must be completed at a Penn State campus: ACCTG 211, MGMT 301, MKTG 301 and FIN 301.

Therefore, transfer courses or those designated as direct equivalent courses for the four courses listed above will not be credited toward Smeal entrance to major progress.

Please note that pursuant to AACSB accreditation standards, the Smeal College requires that all upper division courses within the departments sponsoring the major be completed in residence at University Park under the instruction of Smeal College faculty.

For example, students in the Risk Management - Real Estate Option major must complete in residence with Smeal College faculty all 300 level and above Risk Management courses.

Petitions for hardship exceptions from this policy may be made to the Smeal College of Business Associate Dean for Undergraduate Education.

Advising Notes:

• It is highly recommended that students at University Park take SCM 301 in their 4th semester.
• It is highly recommended that students at campuses that do not offer SCM 301 take ENGL 202D in their 4th semester.
• Students must complete 12th credit level in a foreign language. Credits vary based on skill level.
• Students cannot duplicate B LAW 424 or BLAW 425 with 2 piece and major electives.

Risk Management - Real Estate Notes:

• The following bullets will assist students in navigating the Risk Management Real Estate option:
  • RM 330 and RM 460 are offered in the fall semester
  • RM 301, RM 450 and RM 470 are offered in the spring semester.

Risk Management - Real Estate Option Degree Requirements (R EST):

Program Year 2019

Course Descriptions
1. Take all of the following Risk Management courses (15 credits) - A grade of ‘C or better’ is required in all courses
   a. RM 330W
   b. RM 301
   c. RM 450
   d. RM (FIN) 460
   e. RM (FIN) 470

2. Select one additional Risk Management course (3 credits) - Select three credits from the following; a grade of ‘C or better’ is required
   a. FIN 406
   b. RM 420
   c. RM (BLAW) 424
   d. RM (BLAW) 425
   e. RM 480
   f. ACCTG 483

3. Select one Two-Piece Sequence from the following list (6 credits)
   a. Accounting – Select two courses from the following: ACCTG 404, ACCTG 471, ACCTG 472
   b. Business Law (cannot duplicate two piece courses with major courses) - B LAW 424, B LAW 425, B LAW 441, B LAW 444, B LAW 445, B LAW 446, B LAW 497, B LAW 499
   c. Business Sustainability - BA 441 and BA 442
   d. Corporate Benefits - RM 401 and RM 430
   e. Economics - Select 3 credits of 300/400 level Economics and select 3 credits of 400 level Economics
   f. Entrepreneurship - MGMT 425 and MGMT 480
   g. Finance - Select two courses from the following: FIN 305, FIN 406, FIN 408
   h. Hospitality Management – Select two courses from the following: HM 480, HM 482, HM 482
   i. Information Systems Management - MIS 301 and MIS 446
   j. International Business - Select two courses from the following: IB 303, IB 403, IB 404, IB 450, IB 460, IB 470, IB 497 Sustainability & International Business
   k. Landscape Architecture – LARCH 414, LARCH 424
   l. Management - MGMT 326 and either MGMT 461 or MGMT 471
   m. Marketing - Select either MKTG 330 or MKTG 327 and select either MKTG 445 or 422
   n. Risk Management - RM 302 and either RM 440 or RM 475
   o. Supply Chain and Information Systems - Select two courses from the following: SCM 404, SCM 405, SCM 406

Please Note: In lieu of completing a Two-Piece Sequence, students may complete one of the designated University minors listed below provided the minor has a minimum of six credits of 400-level course work that can be used in the two-piece category according to the course layout in the degree audit system.

Smeal College Minors
- Information Systems Management (ISM)
- International Business (IB)
- Legal Environment of Business (LEBUS)
- Supply Chain and Information Sciences & Technology (SCIST)

Liberal Arts Minor or Concurrent Major
- Economics (ECON)

College of IST Minor or Concurrent Major
- Information Sciences and Technology (IST)

Eberly College of Science Minor or Concurrent Majors
- Mathematics (MATH)
- Statistics (STAT)

World Language Minors and Concurrent Majors
- Arabic Language (ARAB)
- Chinese Language (CHNS)
- French and Francophone Studies (FR)
- German (GER)
- Greek (GREEK)
- Hebrew (HEBR)
- Italian (IT)
- Japanese Language (JAPNS)
- Korean Language (KORLG)
- Latin (LATIN)
- Portuguese (PORT)
- Russian (RUS)
- Spanish (SPAN)
