Requirements for a minor may be completed at any campus location offering the specified courses for the minor. Students may not change from a campus that offers their major to a campus that does not offer their major for the purpose of completing a minor.

Program Description
The Business minor is a strong complement to virtually any major. Courses prescribed for the minor are taught by Penn State faculty providing courses to the B.S. in Business and the A.S. in Business Administration. It provides students with the opportunity to develop and apply skills appropriate to the business contexts of their chosen majors. Students pursuing the Business minor must complete 13 credits of prescribed coursework and six credits of additional coursework. A grade of C or better is required for all courses in the minor. The prescribed thirteen credits of coursework presents students with a critical foundation of core business disciplines: accounting, management, marketing, and either macro- or micro-economics. The six credits of additional coursework must be taken at the 400-level.

The additional coursework enables students to expand on the core foundation in one of two ways. They may choose to solidify their business knowledge base by exploring six credits of 400-level business courses in the following disciplines:

- Accounting
- Business Administration
- Business Law
- Energy Business and Finance
- Economics
- Entrepreneurship
- Finance
- Financial Services
- Health Policy and Administration
- International Business
- Labor Studies and Employment Relations
- Management Information Systems
- Management
- Marketing
- Risk Management
- Supply Chain Management
- Statistics

Alternately, students can augment three credits of 400-level coursework in one of the above listed business disciplines with three credits of 400-level work from an approved list of specific business-related course in disciplines such as:

- Communication Arts and Sciences
- Corporate Communication
- Communications
- Criminal Justice
- Engineering
- English
- Human Development and Family Studies
- History
- Hospitality Management
- Information Sciences and Technology
- Kinesiology
- Philosophy
- Political Science
- Psychology
- Recreation, Park and Tourism Management
- Sociology

What is Business?
Business is a professionally-oriented program providing a broad education and solid grounding of business knowledge. The Business minor complements any major and provides a broad education and introduction to business knowledge. With opportunities to learn about business disciplines, including accounting, management, marketing, and economics, students will gain skills and the tools to apply in any setting.

You Might Like This Program If...

Requirements for the Minor
A grade of C or better is required for all courses in the minor, as specified by Senate Policy 59-10 (https://senate.psu.edu/policies-and-rules-for-undergraduate-students/59-00-minors-and-certificates/#59-10). In addition, at least six credits of the minor must be unique from the prescribed courses required by a student’s major(s).
Both advisers and advisees share responsibility for making the advising relationship succeed. By encouraging their advisees to become engaged in their education, to meet their educational goals, and to develop the habit of learning, advisers assume a significant educational role. The advisee’s unit of enrollment will provide each advisee with a primary academic adviser, the information needed to plan the chosen program of study, and referrals to other specialized resources.
